An eye-opening, behind-the-scenes look at the "crime of the century" and the legal proceedings that followed sheds new light on the arrest and trial of O. J. Simpson, the evidence in the case, and the role of the prosecution and defense. 100,000 first printing. Tour.

The definitive account of the Clinton-Lewinsky sex scandals, the extraordinary ordeal that nearly brought down a president “A story as taut and surprising as any thriller . . . [an] unimpeachable page-turner.”—People First published a year after the infamous impeachment trial, Jeffrey Toobin’s propulsive narrative captures the full arc of the Clinton sex scandals—from their beginnings in a Little Rock hotel to their culmination on the floor of the United States Senate with only the second vote on presidential removal in American history. Rich in character and fueled with the high octane of a sensational legal thriller, A Vast Conspiracy has indelibly shaped our understanding of this disastrous moment in American political history.

From the execution sermons of the Colonial era to television programs like The Wire and The Sopranos, crime writing has played an important role in American culture. Its ability to register fear, desire and anxiety has made it a popular genre with a wide audience. These new essays, written for students as well as readers of crime fiction, demonstrate the very best in contemporary scholarship and challenge long-established notions of the development of the detective novel. Each chapter covers a sub-genre, from 'true crime' to hard-boiled novels, illustrating the ways in which 'popular' and 'high' literary genres influence and shape each other. With a chronology and guide to further reading, this Companion is a helpful guide for students of American literature and readers of crime fiction.

Read the true story of the manhunt that inspired The Assassination of Gianni Versace: American Crime Story, the latest chapter of the acclaimed FX series. On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace’s murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for Vanity Fair. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, Vulgar Favors tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America—from California’s wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. Vulgar Favors is at once a masterpiece of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way. “The breadth and thoroughness of [Maureen] Orth’s research are often staggering.”—The New York Times “Fascinating . . . ripe with chilling detail.”—Entertainment Weekly

You Don't Know the Full Truth About O.J. Simpson and the Murders that Gripped a Nation. But Mike Gilbert does, and after nearly two decades of being O.J. Simpson's sports agent, business advisor, and trusted confidant, Gilbert is breaking his silence and telling the full story of the man he idolized, but now despises. Gilbert's shocking tale is unlike anything you've read before: it isn't his "version" of what happened—it's the unvarnished truth. The truth about O.J., the murders, and the infamous trial. Not as Gilbert imagined or would like it to be, but how it actually was. Gilbert doesn't spare anyone, not even himself—he helped deceive the jury and feels deeply responsible for the "Not Guilty" verdict.

A ghoulish collection of true American classics From North to South, coast-to-coast, and legendary to forgotten classics Lyons Press American Classics deliver stories rooted in their time, place, and topic Distinct series design for impulse- and collect-them-all sales With frightening stories from Washington Irving, Edgar Allan Poe, Francis Bret Harte, Ambrose Bierce, Edith Wharton, Mark Twain, Harriett Beecher Stowe, O. Henry, Will Cather, and long forgotten yet terrifying authors, this ghostly collection of Lyons Press American Classics delivers the ghastly, horrifying, and otherwise haunting tales we love to read about—all from our deep history and in a book that makes a great gift as part of Lyons Press’s outstanding Americana library.

What are the ingredients of a hard-boiled detective story? "Savagery, style, sophistication, sleuthing and sex," said Ellery Queen. Often a desperate blond, a jealous husband, and, of course, a tough-but-tender P.I. the likes of Sam Spade or Philop Marlowe. Perhaps Raymond Chandler summed it up best in his description of Dashiell Hammett's style: "Hammett gave murder back to the kind of people that commit it....He put these people down on paper as they were, and he made them talk and think in the language they customarily used for these purposes." Hard-Boiled: An Anthology of American Crime Stories is the largest and most comprehensive collection of its kind, with over half of the stories never published before in book form. Included are thirty-six sublimely suspenseful stories that chronicle the evolution of this quintessentially American art form, from its earliest beginnings during the Golden Age of the legendary pulp magazine Black Mask in the 1920s, to the arrival of the tough digest Manhunt in the 1950s, and finally leading up to present-day hard-boiled stories by such writers as James Ellroy. Here are eight decades worth of the best writing about betrayal, murder, and mayhem: from Hammett's 1925 tour de force "The Scorched Face," in which the disappearance of two sisters leads Hammett's never-named detective, the Continental Op, straight into a web of sexual blackmail amidst the West Coast elite, to Ed Gorman's 1992 "The Long Silence After," a gripping and powerful rendezvous involving a middle class insurance executive, a Chicago streetwalker, and a loaded .38. Other delectable contributions include "Brush Fire" by James M. Cain, author of The Postman Always Rings Twice, Raymond Chandler's "I'll Be Waiting," where, for once, the femme fatale is not blond but a redhead, a Ross Macdonald mystery starring Macdonald's most famous creation, the cryptic Lew Archer, and "The Screen Test of Mike Hammer" by the one and only Micky Spillane. The hard-boiled cult has more in common with the legendary lawmen of the Wild West than with the gentleman and lady sleuths of traditional drawing room mysteries, and this direct line of descent is on brilliant display in two of the most subtle and tautly written stories in the collection, Elmore Leonard's "3:10 to Yuma" and John D. MacDonald's "Nor Iron Bars." Other contributors include Evan Hunter (better known as Ed McBain), Jim Thompson, Helen Nielsen, Margaret Maron, Andrew Vachss, Faye Kellerman, and Lawrence Block. Compellingly and compulsively readable, Hard-Boiled: An Anthology of American Crime Stories is a page-turner no mystery lover will want to be without. Containing many notable rarities, it celebrates a genre that has profoundly shaped not only American literature and film, but how we see our heroes and ourselves.

Originally published as: Vulgar favors: Andrew Cunanan, Gianni Versace, and the largest failed manhunt in U.S. history.

12 True Crime Stories of Murder & MayhemSeventh Book of the True Crime Case Histories Series (2021) If you're familiar with the previous books in the True Crime Case Histories series, you already know that I start each book with a brief warning. Real true crime is not for everyone. The stories in this book represent humanity at its absolute worst. Pure evil. Television crime shows and news articles often skip the gruesome parts of true crime stories. The real details are just too grisly for the average viewer or reader. In my books, however, I do my best to include the details, regardless of how unsettling they may be. Each story requires hours of research. I search through old newspaper articles, court documents, police reports, autopsy results, and first-hand descriptions. Some of the specifics can be disconcerting. I choose to include the details not to shock, but to give the reader a deeper view into the mind of the killer. Although it's unlikely any of us will understand the motives of a diabolical monster, the level of depravity will keep you turning pages. That being said, if you are overly squeamish about the details of true crime, this book may not be for you. If you're okay with it... then let's begin. Volume 7 features: Longer stories, more photos, a bonus chapter, and an online appendix with additional photos, videos, and documents. Volume 7 of True Crime Case Histories features twelve new stories from the past fifty years. A sampling of the stories include: You'll read about a law enforcement officer that took advantage of the trust associated with his uniform. His brutal reign of terror lasted eight years. It took the bravery of two young women that escaped his grasp to bring him down. There's the story of the recent law school graduate with a crush on his neighbor. Rather than asking her out on a date, he stalked and spied on his classmate, eventually taking her life. There's also the heartbreaking story of a single mom, drowning in debt, that did the unthinkable for insurance money. Seven of the stories in this book feature women killers, two of which took the time to meticulously dismember their victims-a task that can take great strength. Another woman manipulated her two teenage boys into killing for her. Yet another woman staged an elaborate hoax to get rid of her loving husband rather than go through the agony of a messy divorce. You'll also read of a sadistic group of up to twelve killers that took joy in abducting and torturing young men in Australia. Sadly, only one of the mysterious group has been brought to justice. Plus many more disturbing stories. The twelve stories in this volume are shocking and disturbing, but they're true. These things really happen in the world. We may never understand why killers do what they do, but at least we can be better informed. You may have heard of a few of the stories in this volume, but there are several I'm almost certain you haven't. Scroll up to get your copy True Crime Case Histories Volume 8 is due out December 2021 and will feature 12 more short stories of; True Crime, Murder & Mayhem, Serial Killer Biographies, and True Murder Case Files.

12 True Crime Stories of Murder & Mayhem Third Book of the True Crime Case Histories Series (2019) As with the two prior volumes of True Crime Case Histories, I want to start with a quick word of warning. Most news articles and television true crime shows skim over the sticky details of truly gruesome crimes. In my books I don't gloss over the facts, regardless of how horrible they may be. I try to give my readers a clear and accurate description on just how demented the killers really were. I do my best not to leave anything out. The stories included in these books are not for the squeamish. Volume 3 features: longer stories, photos, two bonus chapters and an online appendix with additional photos, videos, and documents. A sampling of the stories include: The Canal Killer - A violent psychopath cuts off the head, hands, and feet of his girlfriends and dumps them in the canals of London and Rotterdam. The Head in the Bucket - A drug kingpin chops off the head of one of his dealers and carries it around in a Home Depot bucket. Captain Cash - Another drug dealer butchers an entire family so he can take over a man's fruit shipping business and transform it into a drug shipping business. The Coffee Killer - A young woman, jealous of her rich socialite friend, poisons her by lacing her coffee with cyanide in a public coffee shop. The Arizona Torso Killer - A petite trophy-wife shoots her husband, freezes his body, hacks him up with a jigsaw and dumps his torso in a dumpster behind a grocery store. The Oxford Murder - A young college student strangles his girlfriend and crams her body into an eight-inch crawlspace beneath the stairs. Plus six more disturbing true crime stories. The twelve true crime stories included in this collection are dark and creepy and will leave you with a new understanding of just how fragile the human mind can be. If there's any common theme between these cases, it would be that many of them happened near places I've lived throughout my life. Three stories took place in the London area. One of which happened just a five-minute walk from my home. Two other stories took place in Scottsdale, Arizona where I've lived the majority of my life. Another took place in Maui, Hawaii while I was living there. And finally, another took place in Oxford, UK very close to where I've been working over the past year. The stories in this volume took place all over the world, and range from the 1940s to 2018. Scroll up to get your copy
