1984 is George Orwell's terrifying vision of a totalitarian future in which everything and everyone is slave to a tyrannical regime lead by The Party. Winston Smith works for the Ministry of Truth in London, chief city of Airstrip One. Big Brother stares out from every poster, the Thought Police uncover every act of betrayal. When Winston finds love with Julia, he discovers that life does not have to be dull and deadening, and awakens to new possibilities. Despite the police helicopters that hover and circle overhead, Winston and Julia begin to question the Party; they are drawn towards conspiracy. Yet Big Brother will not tolerate dissent - even in the mind. For those with original thoughts they invented Room 101. . .

An insurance salesman desperately tries to recapture his youth in this "charming" comic novel by the iconic British author (The New York Times). George Bowling is having a crisis. Not a loud, unsightly one, but a small, desperate one. His days are occupied by an unfulfilling insurance job; his nights spent worrying about his mortgage, marriage, expanding waistline, and what seems to be a certain prospect of World War II looming on the horizon. So when George unexpectedly hits it big on a lucky horse, he spends the windfall on the only thing he ever knew to make him happy: his childhood. George travels back to his boyhood home of Lower Binfield, swimming in vivid memories of worry-free bliss, sights, sounds, smells, and emotions of a pre-war world. But while the idyllic village in George's head may not have seen battle, the reality may be more sobering than he is prepared to deal with. Penned with Orwell's trademark insight and passion, *Coming Up for Air* is an elegiac look at memory and desire at a desperate moment in England's history.

Based on his experiences as a policeman in Burma, George Orwell's first novel is set during the end days of British colonialism, when Burma is ruled from Delhi as part of British India.

George Orwell set out 'to make political writing into an art', and to

Read PDF 1984 Questions Chapter By

a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' - Irish Times

George Orwell's dystopian masterpiece, Nineteen Eighty-Four is perhaps the most pervasively influential book of the twentieth century. 'Who controls the past controls the future: who controls the present controls the past' Hidden away in the Record Department of the sprawling Ministry of Truth, Winston Smith skilfully rewrites the past to suit the needs of the Party. Yet he inwardly rebels against the

Read PDF 1984 Questions Chapter By

totalitarian world he lives in, which demands absolute obedience and controls him through the all-seeing telescreens and the watchful eye of Big Brother, symbolic head of the Party. In his longing for truth and liberty, Smith begins a secret love affair with a fellow-worker Julia, but soon discovers the true price of freedom is betrayal.

The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

This book challenges, with several powerful arguments, some of our deepest beliefs about rationality, morality, and personal identity. The author claims that we have a false view of our own nature; that it is often rational to act against our own best interests; that most of us have moral views that are directly self-defeating; and that, when we consider future generations the conclusions will often be disturbing. He concludes that moral non-religious moral philosophy is a young subject, with a promising but unpredictable future.

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for

Read PDF 1984 Questions Chapter By

disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

The first of Louise Erdrich's polysymphonic novels set in North Dakota - a fictional landscape that, in Erdrich's hands, has become iconic - *Love Medicine* is the story of three generations of Ojibwe families.
