Collects paintings and line-art illustrations featured in the popular graphic-novel series "Vampire Hunter D" and appearing on its paraphernalia, in an art book that also includes a previously unpublished short story written by the series' author.

Woolwich. Club Paradise. Valentine's Night. Nigerian nightclub toilet attendants Abiodun and Sophie brace themselves for the busiest night of the year. Tonight Abiodun and Sophie are also marking their one year anniversary together having met in Paradise: united in love, divided by a toilet wall. But as the countdown to midnight and the end of their shift begins, bosses, exes and clubbers threaten to stall the anniversary plans of the young lovers. Will Abiodun and Sophie make it back in time for their very own Valentine's celebration?

A publication devoted to the business and personnel activities of the U.S. Department of Agriculture.

This practical and helpful volume details how clinicians can work through various common challenges in individual, couple, or group psychotherapy. Chapters draw upon clinical wisdom gleaned from the author's 48 years as a practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance, especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation. Along with theory and clinical observations, Dr.Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt and unilateral termination of therapy, the therapist's loss of compassionate neutrality when treating a couple, and many more. Many of the "Clinical Pearls" prioritize working in the here-and-now. In addition to offering advice and strategies for therapists, the book also addresses concerns like the matter of fees in private practice and the virtue of moral courage on the part of the therapist. Written with clarity, heart, and an abundance of clinical wisdom, Addressing Challenging Moments in Psychotherapy is essential reading for all clinicians, teachers, and supervisors of psychotherapy.

Leading Canadian artists, curators, and art historians from Douglas Coupland to Paul Bourassa look at questions of design and national identity in the 1960s.

An updated reference for power and sail boaters surveys the latest developments in safety systems, marine electronics, radar, and communications, and federal laws and regulations, and includes information on tides, currents, weather, and navigation.

Engine-tuning expert A. Graham Bell steers you through the various modifications that can be made to coax maximum useable power output and mechanical reliability from your two-stroke. Fully revised with the latest information on all areas of engine operation, from air and fuel, through carburation, ignition, cylinders, porting, reed and rotary valves, and exhaust systems to cooling and lubrication, dyno tuning and gearing.
