Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation)Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underwayEthanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive EngineersGM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade agoYou can save \$2,000 by cutting freight fees and "administrative" chargesDiesel annual urea fill-up scams cancost you \$300, including an \$80 "handling" charge for \$25 worth of ureaLemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki

Ever since John Hancock broke into song after signing the Declaration of Independence, American politics and musicals have been inextricably linked. From Alexander Hamilton's jazz hands, to Chester A. Arthur's oboe operas, to Newt Gingrich's off-Broadway sexscapade, You, Me, and My Moon Colony Mistress Makes Three, government and musical theater have joined forces to document our nation's long history of freedom, partisanship, and dancers on roller skates pretending to be choo choo trains. To celebrate this grand union of entrenched bureaucracy and song, the patriots at McSweeney's Internet Tendency (The Iowa Caucus of humor websites!) offer this riotous collection (peacefully assembled!) of monologues, charts, scripts, lists, diatribes, AND musicals written by the noted fake-musical lyricist, Ben Greenman. On the agenda are . . . Fragments from PALINI THE MUSICAL Barack Obama's Undersold 2012 Campaign Slogans Atlas Shrugged Updated for the Financial Crisis Your Attempts to Legislate Hunting Man for Sport Reek of Class Warfare A 1960s Teen Sex Comedy Becomes Politically Uncomfortable Donald Rumsted Memoir Chapter Title Or German Heavy Metal Song? This narrative of U.S. soccer's history and present-day status addresses the issues of socioeconomic. Emphasizing the differences between social classes in U.S. soccer past and present, as well as those between American soccer and international football, this work analyzes the role of class in American soccer's failure to carve out a more prominent place in the sports landscape. Contemporary soccer is explored from its beginnings in informal Parks and Recreation leagues to the development of formal club programs, and university, professional, and U.S. national teams. In recent decades, Hispanic leagues formed primarily by Mexican and Central American immigrants have reinforced the theme of a class-based, exclusionary space in U.S. soccer. A personal perspective based on the authors' experience coaching soccer at the informal level broadens the book's appeal.

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches.

A Moment in Time will encourage believers to entertain principles of grace-based theology and, after careful consideration, embrace them. When we're convinced of the gracious simplicity in acquiring the free gift of eternal life, it impacts how we share our faith. When we're confident this free gift can't be lost, it calms us down. When we're certain Christ will repay and recompense us for what we do with this free gift, we're motivated to (be holy) as He is holy. In looking at the biblical text, Christians will be reminded that justification is provided at no cost to them. They'll see there's room for failure in the Christian life. But they'll also learn where there's great grace, there's great accountability--and great reward. It is wonderful to see this fresh look at many of the grace issues at a popular level. Mark Spencer has given us an insightful look into the implications of grace in the task of evangelism and discipleship. Recommended reading!! --Dr. Joseph Dillow Mark Spencer has the wonderful ability to communicate deep biblical truths in an interesting and straightforward way. The reader will find a clear articulation of the grace message and convincing arguments against those who have corrupted it. I am glad to see this comprehensive and persuasive presentation of the gospel of grace and its implications. It will serve us well as we seek to share this message with the world. --Dr. Charlie Bing This is a book that needs to be taken seriously as a helpful guide to developing a strategic plan to be servants of Christ in our areas of influence. As Mark said, his last 25 years as a police officer went by overnight - so how fast will the years fly by in our lives? We all have a mission and an obligation to be useful to the Master. --Dr. John South
