Alongside Indian children and teens, there are foreign role models, too, besides the best schools in the country, quiz winners and the setters of some fascinating records. So what are you waiting for? Find out if you are already in here!

Contains over 472,000 entries defining the English language as it is written and spoken today.

New York Times bestselling author David Levithan takes young readers on twisting journey through truth, reality, and fantasy and belief. Aidan disappeared for six days. Six agonizing days of searches and police and questions and constant vigils. Then, just as suddenly as he vanished, Aidan reappears. Where has he been? The story he tells is simply. . . impossible. But it's the story Aidan is sticking to. His brother, Lucas, wants to believe him. But Lucas is aware of what other people, including their parents, are saying: that Aidan is making it all up to disguise the fact that he ran away. When the kids in school hear Aidan's story, they taunt him. But still Aidan clings to his story. And as he becomes more of an outcast, Lucas becomes more and more concerned. Being on Aidan's side would mean believing in the impossible. But how can you believe in the impossible when everything and everybody is telling you not to?

Captain Awesome is up against Miss Stinky Pinky in the second grade spelling bee.

A selection from Alex Kotlowitz's masterpiece of immersive reportage There Are No Children Here, the harrowing coming-of-age story of two children in Chicago's Henry Horner Public Housing Complex. In "The Spelling Bee," as Pharoah returns to school, his dreams come up against the realities of his neighborhood. Pharoah is small of stature, has a stutter, and frequently reads at night until his eyes hurt. He has his mother's open and generous smile, and his father's charm and keen intellect. As he enters fourth grade, he sets a solemn goal for himself: to become a spelling bee champion. Award-winning journalist Alex Kotlowitz follows Pharoah for two years, as he tries desperately to succeed at school while navigating the perils of his devastated neighborhood, a place marked by deep need and neglect, along with unrelenting violence. For Pharoah, spelling is just the beginning. This is a dramatic and groundbreaking portrait of poverty, the story of growing up in the other America. An eBook short.

Presents a study plan to build knowledge and confidence, discusses study skills and strategies, reviews core concepts, and includes one diagnostic exam and two practice exams.

Asian Americans have long been the subject and object of popular culture in the U.S. The rapid circulation of cultural flashpoints—such as the American obsession with K-pop sensations, Bollywood dance moves, and sriracha hot sauce—have opened up new ways of understanding how the categories of "Asian" and "Asian American" are counterbalanced within global popular culture. Located at the crossroads of these global and national expressions, Global Asian American Popular Cultures highlights new approaches to modern culture, with essays that explore everything from music, film, and television to comics, fashion, food, and sports. As new digital technologies and cross-media convergence have expanded exchanges of transnational culture, Asian American popular culture emerges as a crucial site for understanding how communities share information and how the meanings of mainstream culture shift with technologies and newly mobile sensibilities. Asian American popular culture is also at the crux of global and national trends in media studies, collapsing boundaries and acting as a lens to view the ebbs and flows of transnational influences on global and American cultures. Offering new and critical analyses of popular cultures that account for emerging textual fields, global producers, technologies of distribution, and trans-medial circulation, this ground-breaking collection explores the mainstream and the margins of popular culture.

As the annual school spelling bee nears its finish, two students compete with equal success until the principal breaks the tie with an unusual word.
