So you think you're smarter than a fifth grader? Well, as many contestants have already discovered on the smash hit TV show hosted by Jeff Foxworthy, you may have either forgotten more than you realize about "the three R's" or simply never learned in the first place! How much do you really know about third grade math? Fourth grade social studies? Fifth grade science? First grade spelling? You may have a high school diploma or a college degree hanging on your wall, but are you smarter than a fifth grader? You'll find out in this book, which includes brain-teasing ten-question quizzes (including million-dollar bonus questions) on information the average eleven-year-old is expected to know—plus there are great bits of fun and fascinating trivia sprinkled throughout. Go ahead—we dare you to prove you're as bright as that gum-chewing kid with the backpack who's waiting on the corner for that yellow bus every morning. School is back in session. And maybe you'll even learn a thing or two that you missed by not paying attention the first time around.

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Why Ask Me Smarter? Because AMS provides parents and homeschool families with an all-in-one resource to further empower their kids with essential

knowledge. Because AMS encompasses 2723 progressive, kid-engaging, curriculum-aligned questions and answers in the core areas of Language Arts, Social Studies, Civics, Science, and Math for 5th grade. Because parents are their children's first and most influential teachers! Because knowledge is potential power! Comprehensive / Curriculum-aligned / Research-based Questions for 2nd Grade: The progressive questions directly align with state content standards in language arts, social studies, science, and math for 5th grade. The questions are designed to enhance, review, and reinforce the facts and concepts in the core content areas that 5th grade children are already learning. Many questions represent "I CAN" statements reflecting the learning goal. Homeschool and Summer Bridge: AMS is a go-to supplemental resource for HOMESCHOOLING families! It also serves as a summer "BRIDGE" tool or "road trip" companion for reinforcing learned concepts, for preparing students for the next grade level, and for preventing the proverbial "SUMMER SLIDE!" LANGUAGE ARTS: Many of the ELA questions encompass spelling, phonics, readings, literary genres, SIGHT words, and essential grammar facts. SOCIAL STUDIES: Many of the social studies questions encompass geography, history, peoples, regions, and cultures. CIVICS: The focus of this chapter is to prompt children to think about all levels of government, the role of the citizen, and the importance of becoming contributing members of the community, the state, and the nation. SCIENCE: The science questions encompass a wide array of scientific topics including astronomy, biology, chemistry, Earth science, ecology, geology, physics, weather/climate, and zoology. MATH: The questions encompass math skills, arithmetic, algebra, geometry, operations, fractions, time, and money.
