he late Heinz Poll is best known as the founder, choreographer, and artistic director of Ohio Ballet, a dance company that flourished for more than thirty years and was called a gem and the best news in dance by critics in Boston and New York. After retirement, Heinz Poll completed his memoir, A Time to Dance. In a distinctive voice both pungent and charming, he tells the compelling story of how a teenager forced to spend the last two years of World War II in the German navy eventually wound up directing a dance company in Akron, Ohio.

In her new book, A Time to Dance, Margaret Fisk Taylor recreates the exciting religious response her country-wide "symbolic movement" workshops have engendered in children, young people, and adults.First of all, A Time to Dance is a "how to" book. It tells, graphically and step-by-step, how to be a leader of a dance choir, how many members there should be, what kind of robes to wear, and, trickiest of all, how to get men and boys to join the group. There are descriptions of dance dramas, processions, narrative outlines and special programs for religious holidays.A fascinating section on the history of religious dance begins with the biblical "David danced before the Lord with all his might," and continues through the early Christian church and the medieval miracle and mystery plays.A third section brings to life the renaissance of dance movement in twentieth century religious worship.

Now a Hallmark Movies & Mysteries channel event, A Time to Dance is a powerful story of the resilience of love. John and Abby Reynolds are the perfect couple--envied by their friends, cherished by their children, admired by their peers. But John and Abby know they're just pretending to be happy. In fact, they're waiting for the right time to tell the kids they're going to divorce. But at the family meeting where they plan to tell their children, Nicole shares a surprise of her own: she's getting married. How can they spoil her joy with their announcement? They can pretend a little longer--until after the wedding. But questions begin to haunt them as the date draws nearer. What happened to the love and commitment that held them together for so long? Is it still there somewhere under all the pain and misunderstanding? And is it still possible, alone in the moonlight on an old wooden pier, to once more find . . . a time to dance? The first novel in Karen Kingsbury's celebrated series about the power of commitment and the amazing faithfulness of God.

At twenty-seven, Shannon Murphy has just discovered that she has two sisters she never knew. Now, through Shannon's loving persistence, the three of them are moving in together above her dance studio in Bridgeport. Shannon is excited to make a home with her sisters and to grow her budding business. Then she meets her newest client--he has all the right muscles, a perfect smile, and a lot of attitude. Will Shannon be able to keep things professional with this charming stranger? Dylan Lange has a lot on his mind. He's just been assigned a new partner at his job with the Bridgeport Police, and while he's busy striving to protect and serve his town, he's also trying to keep his baby sister out of harm's way while she heals from her own trauma. And on top of everything else, he's gone and lost a bet with his buddies, forcing him to take dance lessons. But when he walks into the dance studio to meet his instructor, a young and beautiful brunette with a sweet southern drawl is the last person he expected to find. Get ready to fall in love again as Shelley Shepard Gray takes us back to Bridgeport, Ohio, where nobody gets left behind and a powerful community helps ordinary men and women to find extraordinary strength inside themselves.

Word Dances II, Your Time to Dance, by ballroom dancer, Joe Sepeay, is for ... anyone, regardless of age, wanting to learn social, ballroom dancing ... any ballroom dancer, no matter the level of proficiency and experience ... any ballroom teacher wanting to reconnect with students ... anyone in search of a new approach to fitness and socializing, wanting to tap hidden potential and improve the quality of life, especially through music.

Social Change and the Empowerment of the Poor provides insight into the local impact of a variety of federal programs funded by the Economic Opportunity Act of 1964. Specifically, Mark Edward Braun's dramatic social history examines seven anti-poverty programs--Community Action Programs (CAPs)--started in Milwaukee in the 1960s. Braun's research confirms that, unlike most other cities, Milwaukee's deteriorating urban neighborhoods were transformed by these initiatives. CAPs successfully empowered Milwaukee's poor, made public officials and institutions more accountable to the needs of the poor, reformed punitive legislation, created new community-based organizations, expanded social services for people of color, and challenged elites. This book provides an excellent framework for future studies that will add to the current scholarly interest in the long-term results of CAPs. Braun simultaneously dispels the myth that CAPs were a categorical failure, and brings a provocative new voice to urban studies, social activism, policy studies and political science.

If there was ever a sequence of plays that epitomized the steely resolution Paul William Bryant instilled in his football teams, it occurred in the fourth quarter of the 1979 Sugar Bowl in the national championship showdown with No. 1 Penn State. Those plays, forever commemorated in Crimson Tide football lore by timeless photos, paintings and video images, highlighted the Bryant canons of football and life: sacrifice, teamwork, pride, poise, confidence, determination and a sheer will to win. Although a quarter-century has now elapsed since those last two national championship seasons, Alabama fans have hardly relinquished the memories of a glorious past. Tales of the 1978-'79 Alabama Football: A Time of Champion is a collection of behind-the-scenes stories and incidents that separated the Crimson Tide from the rest of the college football world during the high-tide times of Coach Bryant and his teams. It's about intimate moments with Coach Bryant with close friends, his staff and his players. It's about the coaches and players, and it's about being No. 1. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports--books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you root for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Historian Judith Nies highlights the lives of nine women who worked effectively to give women equal rights and access to public life in the U.S., and she writes of women whose environmental activism has been crucial in the ongoing effort to preserve biological diversity on our earth.
