Absurdistan is a few different novels at once. Along the way Gary Shteyngart uses sex, drugs, and violence to present constant dicotomies of pleasure and pain, and hope and despair. There are quite a few sex scenes that are kinky in a humorous and even strangely endearing way.

Absurdistan: A Novel

Absurdistan is a rambling, hilarious epic chronicling the meandering life of Misha Vainberg, son of one of Russia's new oligarchs, from his squalid beginnings in Leningrad (before Beloved Papa made his millions) through his botched circumcision at the hands of the Lubavitcher Hasidim, his American education at an elite college in the Midwest, and his return to Russia, to what is all too likely to be the end of the road in Davidovo, a medieval village of Mountain Jews somewhere in the ...
