Lecture Notes In Computer Science
This book constitutes the proceedings of the 20th

International Conference on Advanced Concepts for
Intelligent Vision Systems, ACIVS 2020, held in Auckland,
New Zealand, in February 2020. The 48 papers presented in
this volume were carefully reviewed and selected from a total
of 78 submissions. They were organized in topical sections
named: deep learning; biomedical image analysis; biometrics
and identification; image analysis; image restoration,
compression and watermarking; tracking, and ...
