AN AMERICAN SEAFARER IN THE AGE OF SAIL: THE EROTIC  
Philip Van Buskirk enlisted in the U.S. Marines in 1846, when he was twelve years old. Beginning in 1851, he recorded his thoughts and experiences on board ship, providing a firsthand account of the countries he visited, the brawling nation in which he lived, and the everyday life and homoerotic exploits of the sailors and marines who sailed with him. B.R. Burg draws on these unconventional and revelatory diaries and on social, religious, and medical writings of the time to create a picture ...

American Seafarer in the Age of Sail | Yale University Press  
American Seafarers is an Expedition Sailing Crew Summer Program we are developing to give kids the opportunity to see some incredible sights while learning important life skills that they will carry throughout their entire lives. We are building a real 75ft wooden gaff rigged schooner designed to tough working ship standards, that will sail with six kids of 15 to 19 years of age for two six week summer sessions.

American Seafarers—American Seafarers-Summer-Vacation  
Seafarer definition is - mariner. How to use seafarer in a sentence.

Seafarer | Definition of Seafarer by Merriam-Webster  
The Seafarers International Union, Atlantic, Gulf, Lakes and Inland Waters, AFL-CIO, represents professional United States merchant mariners sailing aboard U.S.-flag vessels in the deep sea, Great Lakes and inland trades.

U.S. Maritime Workforce Grows to 650,000 Americans  
"The Seafarer" is an Anglo-Saxon or Old English poem similar to "The Wanderer" in representing the laments of an exile. While many scholars have described "The Seafarer" as an insular sailor's lamentations concluding with faith in God's ultimate mercy, just as many scholars have identified the poem as an account of a wanderer, pilgrim, or hermit's view of the world and search for God.

"The Seafarer": An Old English poem—Lore—Hermitary  
True or False: "The Seafarer" and the other poems in the Exeter Book provide the chief source of Anglo-Saxon poetry. True. True or False: The Exeter Book was well cared for and was carefully handed down through the years, therefore the manuscript was in great shape when it was found.

Seafarer Flashcards | Quizlet  
The 63-year-old sailor Stuart Bee was missing at sea for nearly two days after his boat capsized on the Atlantic Ocean. He was found by Filipino seafarers on board the vessel " Angeles " last November 29 adrift in the middle of the Atlantic Ocean while clinging to his boat 86 miles from the shore of Port Canaveral, Florida.

Filipino seafarers and the "Good Samaritan at sea"  
Seafarers have an average entry-level wage that exceeds \$25,000 in 2019, according to the U.S. Bureau of Labor Statistics (BLS). The top wage exceeds \$75,000. A seafarer's pay is often based on a...

Seafarer definition is - mariner. How to use seafarer in a sentence.

Seafarers | Definition of Seafarers by Merriam-Webster  
Filipino seafarer Lacruiser Relativo is receiving praises after he took part in the rescue of an American sailor who was stranded and adrift in the middle of the Atlantic Ocean last Thanksgiving Day, November 29. Relativo shared the story of the successful rescue in a now viral Facebook post.

Filipino seafarer helps in rescuing American sailor adrift  
Abstract. Background: Seafarers are an understudied and essential workforce, isolated from medical care. This study describes injuries, illness, and risk factors for resultant disability in one shipping company with a majority of American seafarers. Methods: The study used a telemedicine database of injury and illness incidence in seafarers, and applied descriptive statistical methods and logistic regression modeling.

Injury, illness, and disability risk in American seafarers  
The AOTOS Award has been given every year since 1970 to individuals and organizations that have made valued contributions to American shipping and seafarers. More than 80 AOTOS Awards have been given to labor, management and government leaders. It is considered the U.S. shipping industry ' s highest honor.

Philip Van Buskirk enlisted in the U.S. Marines in 1846, when he was twelve years old. Beginning in 1851, he recorded his thoughts and experiences on board ship, providing a firsthand account of the countries he visited, the brawling nation in which he lived, and the everyday life and homoerotic exploits of the sailors and marines who sailed with him. In this intimate portrait, the author draws on Van Buskirk's unconventional and revelatory diaries and on social, religious, and medical writings of the time.

Philip Van Buskirk enlisted in the U.S. Marines in 1846, when he was twelve years old. Beginning in 1851, he recorded his thoughts and experiences on board ship, providing a firsthand account of the countries he visited, the brawling nation in which he lived, and the everyday life and homoerotic exploits of the sailors and marines who sailed with him. B.R. Burg draws on these unconventional and revelatory diaries and on social, religious, and medical writings of the time to create a picture of nineteenth-century America that is rarely seen. The semi-educated son of a once prosperous family, Van Buskirk had the ability and enthusiasm to depict the mores and behavior of the ordinary folk with whom he associated, something other chroniclers of his time did not do. Burg points out that a substantial gulf separated the perceptions and sentiments of literate Americans of this period from those of unlettered Americans. Van Buskirk's journals highlight the differences between these groups and tell of the conflicts that existed as the notions of propriety and morality held by the upper classes were tested by a less-than-deferential underclass.

Philip Van Buskirk enlisted in the U.S. Marines in 1846, when he was twelve years old. Beginning in 1851, he recorded his thoughts and experiences on board ship, providing a firsthand account of the countries he visited, the brawling nation in which he lived, and the everyday life and homoerotic exploits of the sailors and marines who sailed with him. In this intimate portrait, the author draws on Van Buskirk's unconventional and revelatory diaries and on social, religious, and medical writings of the time.

A gutsy woman's tale of marrying the Chief Mate of a mammoth containership and sailing the seas with today's modern mariners.

Boys at Sea is a study of homoerotic life in the Royal Navy during the age of sail. The book traces every feature of sexual life at sea, including seduction, rape, prostitution, courts martial, and the punishments meted out to those convicted of violating the stern moral code set down in the Articles of War .

The descriptive data in this book, first published in 1989, were obtained from participant observation and interviews with merchant seaman current and retired. In addition there is reprinted a complete set of the laws relating to American seaman between 1918-1970. Together they provide a comprehensive understanding of the historical events surrounding the American merchant seaman, the creation of maritime policy, and the policy itself.

Previously hard-to-find information on homosexuality in early America—now in a convenient single volume! Few of us are familiar with the gay men on General Washington ' s staff or among the leaders of the new republic. Now, in the same way that Alex Haley ' s Roots provided a generation of African Americans with an appreciation of their history, Male-Male Intimacy in Early America: Beyond Romantic Friendships will give many gay readers their first glimpse of homosexuality as a theme in early American history. Honored as a 2007 Stonewall Book Award nonfiction selection, Male-Male Intimacy in Early America is the first book to provide a comprehensive overview of the role of homosexual activity among American men in the early years of American history. This single source brings together information that has until now been widely scattered in journals and distant archives. The book draws on personal letters, diaries, court records, and contemporary publications to examine the role of homosexual activity in the lives of American men in the Colonial period and in the early years of the new republic. The author scoured research that was published in contemporary journals and also conducted his own research in over a dozen US archives, ranging from the Library of Congress to the Huntington Library, from the United Military Academy Archives to the Missouri Historical Society. Male-Male Intimacy in Early America explores: the role of the open frontier and the unregulated seas as places of refuge for men who would not enter into heterosexual relationships the sexual lives of American Indians—particularly the berdache tradition—and how the stereotypes associated with American Indian sexuality molded white America ' s attitudes toward homosexuality homosexuality in slave narratives—and the homosexual subtexts of racist minstrel show lyrics the formation of European gay communities during American colonial times, with an emphasis on Berlin, Paris, and London—with English translations of material previously available only in German or French! homosexuality as presented in eighteenth-century novels popular with American readers, plus information on homosexuality that was published in medical treatises of the period United States Army and Navy courts-martial that focused on sodomy the sublimation of homosexuality by religious revival movements of the early nineteenth century, particularly among Quakers, Mormons, and Oneida Perfectionists social groups as a perceived cover for homosexual activity, with an emphasis on the Masonic Order non-procreative sexuality as a theme and as a threat during the American revolution the West in American literary tradition—and the role of popular writers such as James Fenimore Cooper and Davy Crockett in creating the myth of individual sexual freedom on the margins of American society Author William Benemann rejects Foucault ' s contention that homosexuality is an artificial construct created by medico-legal authorities in the latter half of the nineteenth century. He recognizes that men have been sexually attracted to other men throughout American history, and in this book, examines their historical options for expressing that attraction. He also addresses related issues surrounding race and gender expectations, population and migration patterns, vocational choice, and information exchange. Written in a straightforward style that can easily be understood by lay readers, Male-Male Intimacy in Early America is an ideal choice for educators, students, and individuals interested in this unexplored area of American history and sexuality studies.

A generously illustrated survey of memorials to different kinds of seafarers, recounting the stories behind them.
