The essential a-z of words and their meanings for sighthounds, by sighthounds. Words we understand take on very different meanings and responses when viewed from a sighthound point of view. Humorous and individual, this A-Z is illustrated with paintings and drawings by the author.

Lists the most commonly used musical terms and phrases, with clear and concise definitions. Includes all the latest terminology as well as classical music definitions. Find answers quickly in this compact and complete A--Z format.

This book helps lawyers and law students whose first language is not English. It contains the words that they need to understand contracts, agreements and other legal documents. These essential words are alphabetically listed with a clear definition for each. Practice sentences follow for students to complete and crosswords are included to practise the words again. An answer key appears at the back of the book. An invaluable book for legal English students. Recommended for students preparing for legal English examinations.
