developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Making learning fun and interactive builds excitement for your social studies students. This book includes game-formatted activities for the study of important events in American history such as Colonial America, The American Revolution, American Indian Experience, The Civil War, the Oregon Trail, Immigration, and the Civil Rights Movement.
