Hidden hunger is not about providing enough calories, it is about a lack of micronutrients, which has life-long consequences for the children who are mostly affected. This begins with physical and cognitive developmental disorders and continues with an increased risk of non-communicable diseases and the occurrence of obesity. The book compiles the contributions of the Fourth Congress on Hidden Hunger 2019 as original articles. The focus of the congress was the problem of malnutrition and overweight, which can coexist and is termed a "double burden". Part of the book

Download Free Ars 56 Prepackaged Foods

deals with the causes of malnutrition and the challenge of achieving an agricultural system that is more focused on food quality. Another part discusses the causes and intervention approaches to tackling childhood obesity, especially in connection with malnutrition. All in all, this publication is a summary of important work by highly renowned authors on the topic of the congress: "Hidden Hunger and the Transformation of Food Systems: How to Combat the Double Burden of Malnutrition?" Like its two predecessors, the book fills an important gap by summarizing the essential aspects for science, applied research, and politics at a high level.

Walmart provides a detailed assessment of the world's largest retailer that forever changed the face of retailing. The book examines Walmart's successes, failures, and whether it can stay ahead for the next 50 years. Despite being a source for best practice in procurement, logistics, systems and store format innovation, the retail giant is now facing several issues that affect its future development. Starting

from its inception in rural Arkansas in 1962, this objective analysis of Walmart's history addresses the rapid change of retail, including the rise of e-commerce and multi-channel retailing; Walmart International and its 'everyday low prices' philosophy; the saturation of the superstore format, and much more. In a time of rapid change, will the world's largest retailer be able to reconfigure? Walmart provides the necessary insights for retailers, advertisers, other business professionals and students to understand how Walmart became a retail giant, the lessons that can be learned, and what is in store for the future.
