Ancient peoples regarded names as indicative of character and destiny. The Jews were no exception. This is a critical study of ancient exegesis of the title 'Israel' and the meanings attributed to it among Jews down to Talmudic times, along with some early Christian materials. C. T. R. Hayward explores ancient etymologies of 'Israel', and the utilization of these very varied explanations of the name in sustained works of exegesis like Jubilees; the writings of Ben Sira, Philo, and Josephus; and selected Rabbinic texts including Aramaic Targumim. He also examines translational works like the Septuagint, to illuminate those writings' sense of what it meant to be a Jew.

Study and Daily devotionals on the Names of Jesus, is a Bible based book designed to inspire the reader to worship The Lord Jesus Christ as He revealed Himself to us through His different Names in the Bible. Before the reader starts with the devotionals I have supplied an introduction and a bible study where I including the following; I begin with an introduction where I share my passion and devotion for God's Name. I give briefly from the bible examples of those who were passionate about His Name, for example David "a man after God's own heart." I encourage the reader to be passionate for God's presence, to really get to know God for who He is, to minister before Him in spirit and truth, in the beauty of holiness and to make His Name famous. After my introduction is "About the book" section where I give the reader biblical information about God's Name and what it means. Also what is calling on His Name? what happens when we call? What is it to pray in Jesus Name? or to fight in His Name? etc. How to use this book section follows after this. Why His Name? Chapter is all about what the Scriptures say about names, what is the meaning of a name? And is a name that important? What about God's Name? looking especially from the Old Testament. How many times does God's Word reference to the use of His Name? Is God's Name really that important? Does God care about the use of His Name? I have also included a chapter on; The meaning and authority of Jesus Name; A biblical study focused on Jesus Name, What does it mean when I say in the Name of Jesus? Why in His Name? biblical background of the meaning and authority of Jesus Name from the New Testament. Praying the Names of God is a chapter where the reader can read out loud the Names of God. This is something that can be done over and over. I personally enjoy these chapter, just to call on His Name is prayer, is worship, is warfare and much more that we do by just calling on His Name. Lastly you get to the Devotionals. There are 31 of them, that the reader can do daily as much as they wish. They can use the Scripture references at the back for further study. This book has been such an inspiration to me personally, I have always dreamed of writing books. I am so grateful that my first one is about Him, His Name, His fame. Be blessed as you love His Name.

Since the 'Christian Church' has abandoned its' Hebrew Roots, many false teachings are in our mainstream churches today and they are destroying the faith given to us by Jesus and carried on by His apostles. Over the centuries precious Biblical truths have been replaced by non-biblical church tradition, doctrine and creeds. Jesus warned us over and over again about deception, but deception were so well disguised in Biblical garb that seemingly no one saw it coming, until it was entrenched in Church Doctrine. And no one expected deception coming from the Church itself. You will be amazed, shocked and astonished as I was, to see what the scriptures call the great apostasy happening before your very eyes...The main stream churches are following the teachings of the lawlessness Beast, they are worshiping a god unknown before the 4th Century, just as we read in the Book of the Revelation.
