Jul. 2, 2019 | By Creflo Dollar. There is a great chasm between the way the world thinks and the way God thinks. One of the ways this difference becomes apparent is when we consider the area of abundance. The world tells us we must struggle and scrape together whatever we can get; people may look suspiciously on anyone whom God has abundantly blessed.

Not only must you activate spiritual principles such as walking by faith and obedience, but you must also learn how to operate in a level of stewardship that demonstrates character, responsibility, and wisdom.

How have millions of American Christians come to measure spiritual progress in terms of their financial status and physical well-being? How has the movement variously called Word of Faith, Health and Wealth, Name It and Claim It, or simply prosperity gospel come to dominate much of our contemporary religious landscape? Kate Bowler's Blessed is the first book to fully explore the origins, unifying themes, and major figures of a burgeoning movement that now claims millions of followers in America. Bowler traces the roots of the prosperity gospel: from the touring mesmerists, metaphysical sages, pentecostal healers, business oracles, and princely prophets of the early 20th century; through mid-century positive thinkers like Norman Vincent Peale and revivalists like Oral Roberts and Kenneth Hagin; to today's hugely successful prosperity preachers. Bowler focuses on such contemporary figures as Creflo Dollar, pastor of Atlanta's 30,000-member World Changers Church International; Joel Osteen, known as "the smiling preacher," with a weekly audience of seven million; T. D. Jakes, named by Time magazine one of America's most influential new religious leaders; Joyce Meyer, evangelist and women's empowerment guru; and many others. At almost any moment, day or night, the American public can tune in to these preachers-on TV, radio, podcasts, and in their megachurches-to hear the message that God desires to bless them with wealth and health. Bowler offers an interpretive framework for scholars and general readers alike to understand the diverse expressions of Christian abundance as a cohesive movement bound by shared understandings and common goals.

A timely exploration and discussion of the prosperity gospel movement

Robert E. Reed is an author, speaker, entrepreneur and success coach. Along with his rewarding career as a marketing consultant, he is a 10-year student of personal growth and development. Robert is an expert in success education and training, spending countless hours of study and research in personal development, success psychology, and the science of achievement to help you create and enjoy the life you want. Working from the premise that success is an internal disposition rather than a destination, Robert teaches others to program themselves for success. Robert E. Reed has a passion for empowering others in personal achievement including experiencing inner peace and fulfillment. He lives in Houston, TX and is the father of his son Christopher and daughter Jordan. Character coins are the spiritual side of success; success in all aspects of your life. Everything in the physical world comes from the spiritual world. Your internal victories and successes will materialize in the natural world. This is the essence of investing in significance. Character coins in essence are realizing that 90% of life happens from you rather than to you. There are things that happen outside of our control, but it is how we respond to those events that matters. The rewards of character and investing in your inner assets can be immense. First, you will gain a sense of purpose. You will also gain a sense of achievement and a power to contribute to society in your own unique way. Joy will be your internal reward. You will not count on your circumstances to make you happy, and you will be able to find peace during the storm.

Four women—Patricia, Zuma, Faye, and Sandy—search for happiness in their daily lives as they struggle with such difficult issues as adoption, infertility, abortion, child discipline, and female bonding

For many people, struggling from paycheck to paycheck is a way of life. Nearly all of their income is spent paying credit card bills, mortgages and car notes, a frustrating pattern with no apparent end in sight. When emergencies arise, they resort to borrowing more money or juggling bills just to make ends meet.

Why do the various Christian churches say totally different things about the same Book? The reason is simple: they don't realize that the Bible is a coded book, and they have not discovered the key that unlocks the code. The understanding of this key could shake the church to its foundations. The key revolves around meeting the real Jesus, " in whom are hidden all the treasures of wisdom and knowledge " (Col. 2:3). The only way you can receive that knowledge is to receive Him and fellowship with Him on the day into which He poured Himself. Enter a rest in Jesus and in the Father's love you have never known. Discover the truth many are waiting for, the truth some know in their hearts but haven't been ready to act upon, the truth Satan has tried to hide from you — the truth that " will make you free " (John 8:32).
