Book Recommendations for Geminis | Read It Forward
Geminis often have small attention spans, but learning new, exciting skills and gleaning fresh information keeps their minds occupied. For example, Kapoor Ahuja loves arranging flowers. "I think it's creative, beautiful and calming," she said back in 2016. And if you, like her, are a bookworm, you can even try reading two books simultaneously.

Doreen Virtue's Angel Astrology 101. Co-authored by the widely published astrologist and Angel Therapist Yasmin Boland, this is the first book to combine angelology and astrology. The 12 beautifully illustrated and easy-to-understand chapters describe the personality characteristics of each of the Sun, Moon, Mercury, Venus, Mars, and Rising (Ascendant) signs, as well as which archangels to call upon in association with them. Angel Astrology 101 is perfect for anyone who is new to these subjects—but it also offers plenty of fresh insights and material for those who have long worked with either astrology or the angels.

random murder, but the first of more to come. What he doesn't know is that 2,000 miles away in Tucson, Arizona, Sergeant Gary Ronstadt is viewing an identical crime scene. Months later, McTavish and Ronstadt meet at a seminar on telepathy between identical twins, where they are shocked to discover that not only are they investigating identical murders, but their lives are intimately linked by a number of inexplicable similarities and coincidences. While working together to unravel the clues purposely left by the killers, the detectives realize they have but five days to find the killers before they strike again, only this time the killings will be much closer to home if they fail.

QueerCosmos.com has brought together fifteen years of research, client interviews, and astrological mastery to create a spiritual guide for not only resistance and resilience, but also personal insights and relationship compatibility.

Unpacking complex issues like shame and worthiness, Queer Cosmos explores Astrology as an antidote to feelings of hopelessness and provides language for authentic practices of self-expression. Leaving behind gender-normative pronouns and assumptions, Queer Cosmos explores more nuanced patterns of the archetypal energies expressed in queer experiences. After all, the only way to forge deep, meaningful relationships is to first forge a relationship with yourself. Drawing on research from experts in the field like Dr. Harville Hendrix, Brene Brown, and Esther Perel, Bedell goes
