The instant NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER PUBLISHERS WEEKLY BESTSELLER USA TODAY BESTSELLER THE PATH TO YOUR ULTIMATE RETIREMENT STARTS RIGHT HERE! Retirement today is more complex than ever before. It is most definitely not your parents' retirement. You will have to make decisions that weren't even part of the picture a generation ago. Without a clear-cut path to manage the money you've saved, you may feel like you're all on your own. Except you're not--because Suze Orman has your back. Suze is America's most recognized personal finance expert for a reason. She's been dispensing actionable advice for years to people seeking financial security. Now, in The Ultimate Retirement Guide for 50+, she gives you the no-nonsense advice and practical tools you need to plan wisely for your retirement in today's ever-changing landscape. You'll find new rules for downsizing, spending wisely, delaying Social Security benefits, and more--starting where you are right now. Suze knows money decisions are never just about money. She understands your hopes, your fears, your wishes, and your desires for your own life as well as for your loved ones. She will guide you on how to let go of regret and fear, and with her unparalleled knowledge and unique empathy, she will reveal practical and personal steps so you can always live your Ultimate Retirement life. "I wrote this book for you," Suze says. "The worried, the fearful, the anxious. I know you need help navigating the road ahead. I've helped steer people toward happy and secure retirements my whole life, and that's exactly what I want to do for you."

"With How to Make Your Money Last, you will learn how to turn your retirement savings into a steady paycheck that will last for life. Today, people worry that they're going to run out of money in their older age. That won't happen if you use a few tricks for squeezing higher payments from your assets--from your Social Security account (find the hidden values there), pension (monthly income or lump sum?), home equity (sell and invest the proceeds or take a reverse mortgage?), savings (should you buy a lifetime annuity?), and retirement accounts (how to invest and--critically--how much to withdraw from your savings each year?). The right moves will not only raise the amount you have to spend, they'll stretch out your money over many more years. You will also learn to look at your savings and investments in a new way. If you stick with super-safe choices the money might not last. You need safe money to help pay the bills in your early retirement years. But to ensure that you'll still have spending money 10 and 20 years from now, you have to invest for growth, today. Quinn shows you how. At a time when people are living longer, yet retiring with a smaller pot of savings than they'd hoped for, this book will become the essential guide"--

Maximize your bottom line with the nation's most trusted small business tax guide J.K. Lasser's Small Business Taxes 2020 is the small business owner's ultimate guide to a money-saving, stress-free tax season. Providing straightforward advice from the nation's most trusted tax expert on small business taxes, this book gives you the answers you need quickly, with clear, concise guidance. Updated to cover changes from the Tax Cuts and Jobs Act and other legislation, this edition also includes an e-supplement covering additional developments from Congress and the IRS to keep you fully up-to-date. A complete listing of all available business deductions and credits helps you identify those you qualify for, and includes critical information on dollar limits, recordkeeping requirements, and how to actually take the write-off--all the way down to the IRS form to use. Organizational and planning strategies help you get through the process quickly and with fewer headaches, and this year's changes to the tax laws are explained in terms of how they affect your filing. Keeping up with the intricacies of tax law and filing is a full-time job--but it's not your full-time job. You have a business to run. This book gives you the guidance you need in the time that you have so you can get taxes out of the way and get back to work. Learn which expenses qualify for deductions--and which ones don't Adopt a more organized recordkeeping system to streamline the filing process Explore small-business-specific strategies for starting or closing a business, running a sideline business, and operating in multiple businesses Decode the various forms and worksheets correctly with step-by-step guidance Audit-proof your return Review obligations for the "other taxes," including payroll and excise taxes Every year, millions of small business owners overpay their taxes because they lack the time and expertise to make tax-sensitive business decisions throughout the year only to learn that it's too late to act when it comes to tax time. Now you can put your money back where it belongs--in your business. J.K. Lasser's Small Business Taxes 2020 helps you take wise actions during the year and tells you how to file completely and accurately while maximizing your bottom line.

In the new edition of "Retire Secure! "CPA and attorney James Lange supplements his proven methods for making the most of your retirement plans with updated information, analysis and examples as well as offers recommendations for new tax-saving strategies for retirees and older Americans. Always a strong proponent of contributing as much as you can to all the tax-deferred retirement plans available to you, Jim makes a convincing case for adding a slight modification to his pay taxes later adage - "pay taxes later, except for the Roth." On the accumulation side of the equation, when individuals are working to save money for retirement, he delves into great detail on the differences between traditional and Roth retirement plan options.

When it comes time to tap into your retirement savings, Jim revisits determining the appropriate spending order for the different classes of retirement assets, IRS minimum distribution rules, and annuities all with updated information. Jim also discusses proposed legislative changes that, if enacted, will greatly affect the income ofretirees. He does all of this while being sure to address the challenges that retirees face when mapping out their estate plan - choosing beneficiaries, reducing federal estate taxes, and leaving legacies for both family and charities. Never one to shy away from looking at both sides of any decision, Jim analyzes the merits of his recommendations and each chapter offers case studies based on his accumulated experience and rigorous analysis. "Retire Secure!" offers everyone a better chance at accumulating money for retirement, but perhaps more significantly, it offers strategies for making your retirement money last throughout your life and your spouse s life. The icing on the cake is how to prudently pass on your money to your heirs and charities or, if you prefer, keep it out of the hands of others. Tackling these topics in three parts, Accumulation, Distribution, and Estate Planning, "Retire Secure! "delivers the most sophisticated financial and legal advice in the most accessible of manners. Jim makes it possible for the reader to gain a unique understanding of these stages and plan for them."

A wide range of advice from the newsletter covers such topics as new cars, self-defense, tax loopholes, pets, health, education, careers, and vacations
