Passages that puzzle will snap into clarity as readers explore God's Word and use the many study helps. Features include: * Over 7,000 sidebar notes that clarify the Bible's most puzzling passages * Nearly 350 articles by top scholars that address the most popular and provocative questions asked by Christians and non-Christians alike * Article index and expanded subject index that help readers quickly find the answers they're looking for * Single-column Scripture text format * Color-keyed verse numbers that supply instant reference to articles and sidebar notes * Book introductions that identify themes, characters, and events in each Bible book * Over 150 two-color in-text charts, timelines, and maps providing background information readers need to understand different passages * Concordance, dictionary, 16-page full-color map section, 7-page full-color timeline section, and reading plans to assist readers' studies of the Bible '

Provides comprehensive articles on significant issues, methods, and theories currently combining the studies of technology and literacy.

La 4e de couv. indique : "In Telegraph Messenger Boys Gregory J. Downey provides an entirely new perspective on the historical geography of communications and the nature of labor in America. ..."

In Telegraph Messenger Boys Gregory J. Downey provides an entirely new perspective on the telegraph system: a communications network that revolutionized human perceptions of time and space. The book goes beyond the advent of the telegraphy and tells a broader story of human interaction with technology and the social and cultural changes it brought about.
