bold, unprecedented exploration of the Creation narrative, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional beliefs about who we are and how we're made. Eve opens a refreshing conversation about the equality of men and women within the context of our beginnings, helping us see each other as our Creator does—complete, unique, and not constrained by cultural rules or limitations. When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken,

frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers that her genetic code connects her to every known race. No one would guess what her survival will mean... No one but Eve, Mother of the Living, who calls her “daughter” and invites her to witness the truth about her own story—indeed, the truth about us all. As *The Shack* awakened readers to a personal, non-religious understanding of God, Eve will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden. Thoroughly researched and exquisitely

Mackenzie Allen Phillips's youngest daughter, Missy, has been abducted during a family vacation, and evidence that she may have been brutally murdered is found in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note, apparently from God, inviting him back to that shack for a weekend. Against his better judgment he arrives at the shack on wintry afternoon and walks back into his darkest

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the

eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation,
