Following up on their previous volume, Called to Be Church: The Book of Acts for a New Day, biblical scholar Robert Wall and pastoral leader Anthony Robinson here join forces again. Featuring both exegetical study and dynamic contemporary exposition, each chapter of Called to Lead first interprets the text of 1 and 2 Timothy as Scripture and then engages 1 and 2 Timothy for today's church leaders. The book covers many vexing issues faced by church leaders then and now -- such issues as the use of money, leadership succession, pastoral authority, and the role of Scripture. Through it all, Called to Lead shows how Timothy remains a text of great value for the church today

What makes a true leader? Is leadership a title? Authority? Charisma? Whatever gets the best results? Today more than ever, Christians need a model of leadership that is based on God's Word, that brings God glory. In *Called to Lead*, best-selling author, pastor, and teacher John MacArthur explains the characteristics of a leader drawn from one of the Bible's most renowned leaders, the apostle Paul. Focusing on Paul's letters to the church, *Called to Lead* shows you the twenty-six key qualities of a leader who can achieve results without forfeiting faith and obedience, qualities such as: Trustworthiness Discipline Christlikeness Sincerity Decisiveness *Called to Lead* presents a compelling, biblically sound explanation of the leadership God established when Jesus called and commissioned the apostles . . . and when God called you to lead.

More than ever, people are talking about leadership. But much of today's discourse is advancing the same old misconceptions. In *The Book on Leadership*, best-selling author, pastor, and teacher John MacArthur sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership—the kind that refuses to bend to a shifting, fickle world—comes from a much deeper source. Based on the writings of one of the most effective spiritual leaders of all time—the apostle Paul—MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership.

Paul's letters to Timothy, written so long ago, may seem out of touch with Christianity today. After all, things have changed since the first-century church, or have they? The truth of the matter is that the counsel and warnings Paul gave Timothy are present truth for our own time. Warnings given by Paul match the conditions found in the religious world today. His counsel regarding personal commitment and fidelity still remain the path of the true child of God. Paul's counsel to Timothy and the churches in the first century of the church, if followed, would still work to set things in order. In short, Paul's letters to Timothy are God's letters to you and me and the church today. I pray this book will be a means by which God speaks to encourage, counsel, warn, and rebuke, where necessary.

With Adam Hamilton, we have traced the life of Jesus from his birth *The Journey*, through his ministry *The Way*, to his death and resurrection *24 Hours That Changed the World*. What happened next? Follow the journeys of Paul, beginning with his dramatic conversion, as he spread the Gospel through modern-day Greece and Turkey. Travel to the early church sites and explore Paul's conversations with the Romans, Corinthians, Galatians, Ephesians, Philippians, Colossians, and Thessalonians. In this six-week study, you are invited to experience faith through Christ's greatest teacher and missionary. ?Endorsements "Adam Hamilton has proven to be a faithful guide to applying the Bible to modern life in a sane and balanced way, and I trust him as an interpreter of the Apostle Paul for today." -Philip Yancey, author of *Vanishing Grace* and *The Jesus I Never Knew* "Pastor and teacher Adam Hamilton succeeds brilliantly in introducing the life and ministry of Paul. Adam's interweaving of personal testimony and ministry insights provide important lessons for Christian disciples today—something Paul himself would have readily welcomed." - Dr. Mark Wilson, Asia Minor Research Center, Antalya, Turkey "Adam Hamilton demonstrates theologically and spiritually how indispensable the apostle Paul is to both the early Christian and 21st century church. This book is a wonderful gift for the church, and I recommend it with utmost Christian enthusiasm." - Dr. Israel Kamudzandu, Associate Professor of New Testament and Biblical Interpretation, Saint Paul School of Theology "I regularly lead groups of seminary students, alums, clergy, and laity on immersion trips to Greece and Turkey. This book will certainly be on my reading list." - Jaime Clark-Soles, Associate Professor of New Testament, Altshuler Distinguished Teaching Professor, Perkins School of Theology

This book, a companion volume to *Gospels and Acts*, is an omnibus edition comprising four titles in the Navarre Bible New Testament. These are: *Romans and Galatians*, *Corinthians*, *Captivity Letters* (Ephesians, Philippians, Colossians and Philemon), and *Thessalonians and Pastoral Letters* - all the texts directly attributed to St Paul. The Navarre Bible Reader's Edition contains the full biblical text in the Revised Standard Version with notes or commentaries.

Pairing depth of scholarship with contemporary application, the authors of *From Pentecost to Patmos* have produced a unique introductory New Testament textbook. Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation, showcasing the historical, linguistic, and theological implications found in each book. This second edition includes expanded footnotes and a lengthier, up-to-date introduction to Paul. Newly added review questions, maps, and diagrams enhance the scholarship and make the resource truly user-friendly.

1 Timothy is one of the more controversial documents in the New Testament. For years, critical scholars have rejected Pauline authorship, highlighted the apparent misogynistic quality of the text, and argued against any coherence in the letter. Jeon takes a fresh look at the letter, incorporating many

recent advancements in NT scholarship. In detail he demonstrates the macro- and micro- chiastic arrangement of the entire letter and explains how the presumed first-century audience would have heard and responded to an oral performance of the letter. In doing so, Jeon offers a fresh challenge to more popular ways of (mis)understanding the letter and points a way forward for appropriating the letter both in academia and in the church.
