Moving in with a guy you only met once? Stupid. But for student Layla Crawford, this was reality. Chase Jackson is a renowned playboy and self professed commitment phobe, that is until he meets Layla. Blinded by his intensity to have her, Chase will stop at nothing to make her his. Ryder Crawford is going places. His band 'Morning Alliance,' has just gotten signed, and are now touring with one of the most popular bands in the world. When he meets Lexi Raine, the timing couldn't have been worse. But like they say, love finds you when you aren't looking for it. The stunning blonde manages to turn his world upside down, through the fierce connection they share. When Ryder is given the choice between the past and present, he is forced to choose between his career, and a woman he has felt something for like no other. Will he make the right choice? Or spend the rest of his life living with regret? Lexi is all alone in the world, besides her best friend and partner in crime Tee. After traveling around the world, drifting from place to place, she tries to settle down in Perth, the place she grew up in. When she meets Ryder, he seems almost too good to be true. What happens when she finds out that when things seem too good to be true, they usually are?

You met Kade and Nikki in "Chase." Now it's time for their story. Nikki works hard and plays even harder. A fan of no attachment type relationships, Nikki is nowhere near ready to settle down or commit to one man. What she doesn't expect is Kade. A one night stand she can't quite shake. Kade is a ladies' man and the brother in law of her best friend. Will she be able to resist him? Or will Nikki take a chance on love with a notorious player? After making a promise years ago to his now fallen best friend, Kade swore he would take care of Ashley. But what happens when Ashley has an agenda of her own? Will Kade let his promise to his best friend ruin things with the love of his life? Recommended for readers aged 18+

When Faye discovers her boyfriend in bed with another woman, she does something incredibly stupid: she sleeps with his brother, Dexter-- biker dude, pure alpha mail to the core, and vice president of the notorious Wind Dragons MC. And once Faye straddles the back of Dex's bike, and the roar of unbridled lush, there's no turning back... they're in for the ride of their lives...

From New York Times bestselling author Chantal Fernando comes the latest in the Wind Dragons Motorcycle Club series featuring a red-hot romance and plenty of mystery! Ranger is at a crossroads: he has a chance to leave the motorcycle club and do something else with his life;but he keeps getting dragged back. When the Wind Dragons Motorcycle Club asks for his help, Ranger agrees, not only because it is hard to say no to them, but also because he has a vested interest. A woman is missing. And Ranger knows her. The Wind Dragons aren't the only ones hoping this girl can be found;on the hunt is Johanna Chase, a stubborn detective who won't give up until the missing woman is found safe. She needs Ranger to navigate the underground world of motorcycle clubs, and immediately, sparks fly. Ranger fights the attraction. He has no plans on going there, no matter how beautiful and badass she is. A biker and a cop? Ridiculous. But the two of them soon realize that they're in way over their heads, and now they have to trust each other in order to save her. With the WDMC and the police force at their back, it should be no problem, right?

It always happens when you least suspect it. Love. The chemistry. The pull. Even when you don't want it to. Timing-it's a bitch. And then you have to make a choice. Do you regret what is, or what isn't? Because when love is involved, there's always regret. And my story is no exception.

New York Times bestselling author Chantal Fernando returns with a brand new series about a brigade of lawyers who, despite being bad boys at heart, always end up just on the right side of the law. Katorina Dawson knows exactly what she wants from life. And as the new associate at the top law firm in the city, she's ready to live out her dreams of becoming a criminal lawyer. But going on coffee runs and babysitting kids during the day was definitely not what she had in mind. She knows that anyone else would kill to be in her shoes, but she has to draw the line somewhere. That's easier said than done, though, when Kat has to confront her handsome boss! Tristan Channing and Jaxon Bentley run a successful law firm together and the two partners couldn't be busier right now. When Jaxon suddenly takes a leave of absence, Tristan begrudgingly assumes responsibility of the new associate, the hot new associate, who has curves for days. Needing to keep his distance from her, Tristan sends Kat on needless errands and has her doing work even an intern wouldn't touch, like picking up his kids. But his plan backfires when he sees his children grow attached to Kat and sees her getting comfortable in his home. It triggers something deep within him, and it feels right to have her there. Will Tristan be able to keep his work and personal lives separate, or will he find that his heart holds the final verdict?

Olivia Reynolds lives a sheltered life. Daughter of the leader of their small community, she is treated like a princess, never allowed beyond the safety of the walls. Rylie Sullivan hasn't had an easy life. She is broken, so broken she doesn't think she will ever be fixed. When she meets Derek, he barges into her life and tries to break down the walls she has so carefully construed to keep what's left of her safe. When he sees Rylie however, he can't help but be drawn to her. Rylie is different, more so than any other person Derek has met. Rylie's beauty- her tattoos, piercings and beautiful blonde dreads drew him in, but it's her sweet, kind nature that makes him want to stay around and protect her.
