Cinema for Spanish Conversation, Fourth Edition, engages students in Spanish-language study through the use of feature films from across the Spanish-speaking world. Sixteen films, four new to this edition, motivates students in conversation, writing, and listening skills in addition to providing them with a broad and real-world experience with the culture of the Spanish-speaking world. New to the Fourth Edition: Four new critically-acclaimed films, including the groundbreaking documentary *Presunto culpable* (2008) about the Mexican criminal justice system and the Oscar-nominated *No* (2012) about the 1988 Chilean national referendum on Pinochet's presidency Updated information about each film, its actors, and directors Color screen shots of the characters in the film to help students remember who's who and to help them discuss the actions and qualities of the characters A new section of questions (*Opiniones*) at the end of each chapter that ask students for their opinions on themes related to the film, sometimes on controversial ones, in order to facilitate active conversation A filmography appendix, which provides a list of additional films for each chapter that have similar themes or are from the same region

This exciting new book is designed for courses in which outstanding films from the Spanish speaking

world are used as springboards for classroom discussion. In this way, students hear Spanish as it is spoken in different countries and are encouraged to converse about the social and cultural aspects of Spanish-speaking countries around the world. Each of the eighteen movies covered in the book have been selected for their high quality, interest and cultural value. Each chapter is devoted to one movie, and contains appropriate vocabulary, cultural notes, special terms for conversation and composition, a focus on a specific scene for structured discussion. or writing, questions for review and understanding, as well as optional reading sections from directors or critics. This text is especially useful for courses in Spanish conversation, composition, culture, and film, as well as for non-credit community courses and language refreshers.

Includes discussions about eight Spanish language films.

Teachers Go to Rehab examines the advice given to teachers from multiple critics both historically and recently. This book looks at the scope, cost, and impact of this advice to teachers, as well as the motives behind it. It poses precise questions about the groups that gave the advice. Who were they? What did they recommend? How did they estimate impact? How did they calculate costs? What aims did they profess? What aims did they conceal? Whom did they attract? Whom did they alienate? When did they succeed? When did they fail?"

Spanish Popular Cinema is the first European language work to focus exclusively on this neglected aspect of Spain's film history. Moving from the 1930s to the present, the contributors to this book provide a diverse collection of essays that reassess some of the forgotten and critically overlooked works of Spanish popular cinema.

Being a great teacher is more than lesson plans and seating charts. In this revised and expanded new edition of the classic bestseller, you learn what it takes to be the very best educator you can be, starting from day one in your new classroom! Filled with real-world life lessons from experienced teachers as well as practical tips and techniques, you'll gain the skill and confidence you need to create a successful learning environment for you and your students, including how to: Organize a classroom Create engaging lesson plans Set ground rules and use proper behavior management Deal with prejudice, controversy, and violence Work with colleagues and navigate the chain of command Incorporate mandatory test preparation within the curriculum Implement the latest educational theories In this book, veteran teacher Melissa Kelly provides you with the confidence you'll need to step into class and teach right from the start.

Taking a student-centered approach to learning, CULTURAS DE ESPAÑA, 2nd Edition truly engages students with its wealth of authentic texts and visual materials while encouraging them to think critically about the cultures of Spain. Developed for Spanish students at the fifth-semester level or higher, this insightful reader makes an excellent main text in a civilization, culture, or reading course. A departure from traditional texts, which present Spanish civilization as a neutral recounting of historical facts, events, and data, CULTURAS DE ESPAÑA, 2nd Edition emphasizes that history, culture, and civilization are concepts under constant construction. An intriguing conceptual focus brings to life the history and everyday experiences that shape national identity. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Language teaching material using authentic film and television is motivating and fun. However, teachers are often unsure of how to use this material in their language classroom. Using Authentic Video in the Language Classroom guides and supports teachers with practical suggestions for activities which can be

used with films, drama, soap operas, comedy, sports programmes, documentaries and adverts. Video is a rich renewable resource which can be used in the classroom to refresh conventional textbook material. These activities can be used time and time again with new material to stimulate students and bring the language alive. Many of the activities would also lend themselves for use with other technologies such as DVDs and Webcasts. It enables teachers to access the powerful teaching tool of video with successful activities for the language classroom.

How did the Franco dictatorship and subsequent transition to democracy impact upon Spanish film-making? What is meant by *nuevo cine español* or *españolada*? How do you say "close-up" or "tracking shot" in Spanish? What sort of critical methods and tools can we apply to study Spanish cinema and what resources are available to us? This book answers these and many more questions, providing crucial information and examples of analysis normally found in separate volumes. This book will be an indispensable resource for students and teachers of Spanish cinema. Topics include: -A history of Spanish cinema from 1896 to 2003 -An overview of Film Studies Basics applied to Spanish films. -A review of key critical concepts such as *auteurism*, genre and stars. -A critical review of Spanish film theory. -Case studies on issues of national identity and gender in Spanish cinema. -A glossary of technical terms in English and Spanish, as well as bibliographies of both English and Spanish works.
