First Samuel - Bible Commentaries

Professor Ackroyd's introduction summarizes the place of the First Book of Samuel in the Old Testament canon, its relationship with history and its theological purpose. The main divisions of the text are those provided by the New English Bible itself, but the text is further subdivided for the purposes of the commentary, which draws out the kind of significance indicated in the introduction.

Commentary on First Samuel by James Burton Coffman

His death was vowed, and four fair escapes of his from the hurtful sword of Saul we have an account of in this chapter: the first by the prudent mediation of Jonathan (1 Samuel 19:1-7), the second by his own quickness (1 Samuel 19:8-10), the third by Michal's fidelity (1 Samuel 19:11-17), the fourth by Samuel's protection, and a change, for the present, wrought upon Saul, 1 Samuel 19:18-24.

1 Samuel -Chapter 19- Verse by Verse Bible Commentary ...

1 and 2 Samuel were originally (and, in most Jewish bibles, still are) a single book, but the first Greek translation, called Septuagint and produced around the second century BC, divided it into two; this was adopted by the Latin translations used in the early Christian church of the West, and finally introduced into Jewish bibles around the early 16th century.

Books of Samuel - Wikipedia

At first glance this text about Samuel's early years seems not to provide many resources for preaching and teaching. But it has been chosen for the lectionary because of its parallels with the gospel text for the day regarding Jesus' boyhood (Luke 2:41-52). It should also be noted that the Song of Hannah in 1 ... "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

In this theological commentary on 1 Samuel, Stephen Chapman probes the tension between religious conviction and political power through the characters of Saul and David. Saul, Chapman argues, embodies civil religion, a form of belief that is ultimately captive to the needs of the state. David, on the other hand, stands for a vital religious

faith that can support the state while still maintaining a theocentric freedom. Chapman offers a robustly theological and explicitly Christian reading of 1 Samuel, carefully studying the received Hebrew text to reveal its internal logic. He shows how the book's artful narrative explores the theological challenge presented by the emergence of the monarchy in ancient Israel. Chapman also illuminates the reception of the David tradition, both in the Bible and in later history: even while David as king becomes a potent symbol for state power, his biblical portrait continues to destabilize civil religion.

Davis brings cultural and historical colour to the task of interpretation and adds a pastor's heart for personal application. A great feast of biblical truth made so digestible, garnished with so many apt illustrations." Alec Motyer

David and Goliath, the call of Samuel, the witch of Endor, David and Bathsheba – such biblical stories are well known. But the books of 1 and 2 Samuel, where they are recorded, are among the most difficult books in the Bible. The Hebrew text is widely considered corrupt and sometimes even unintelligible. The social and religious customs are strange and seem to diverge from the tradition of Moses. In this first part of an ambitious two-volume commentary on the books of Samuel,

David Toshio Tsumura sheds considerable light on the background of 1 Samuel, looking carefully at the Philistine and Canaanite cultures, as he untangles the difficult Hebrew text.

The Cornerstone Biblical Commentary series provides students, pastors, and laypeople with up-to-date, accessible evangelical scholarship on the Old and New Testaments. Presenting the message for each passage, as well as an overview of other issues relevant to the text, each volume equips pastors and Christian leaders with exegetical and theological knowledge so they can better understand and apply God's Word. This volume includes the entire NLT text of 1 and 2 Samuel. J. Robert Vannoy, Th.D., Free University of Amsterdam, is Professor Emeritus and Allan A. MacRae Chair of Biblical Studies at Biblical Theological Seminary. He has over 40 years of experience in teaching and has served as a translation consultant for the NIV, TNIV, and NLT. He has also contributed articles to various publications including reference works (such as the Baker Encyclopedia of the Bible and the Evangelical Dictionary of Biblical Theology), scholarly journals, and magazines. He and his wife are blessed with four children and over 10 grandchildren. Outside of Old Testament studies, Robert enjoys family, gardening, photography, hiking, and exploring islands on the Maine coast.

The Old Testament was Jesus' Bible and it's all about him. As he explained to the disciples on the Emmaus road, a correct understanding of those Scriptures is vital to our faith and hope. For anyone looking to interpret the Old Testament wisely and well, Jason DeRouchie provides a logical twelve-stage process to deepen understanding, taking us from an analysis of a passage's genre all the way to its practical application. Hebrew grammar, historical context, biblical theology and much more are also studied. Learn how to track an author's thought-flow, grasp the text's message, and apply the ancient Word in this modern world, all in light of Christ's redeeming work. Then plunge into DeRouchie's recommended resources to go further in your studies every step of the way.

One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

This is another volume in the series of Bible Commentaries of Matthew Henry. In this Volume, the entire text of the 1 Samuel is commented with notes of each chapter. This Commentary will help you better understand the God's word! Churches, theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the

1 Samuel.

This substantial commentary presents 1 Samuel as a sophisticated work of literature, where the reader is challenged with a narrative that is fraught with interpretative possibilities. In his distinctive literary reading Bodner lays special emphasis on the intriguing array of characters that populate the narrative, and on the plot, in its design and its configurations. Thus, a host of intriguing episodes and personalities are passed in review: from the symbolically charged closed womb of Hannah to the backwards fall and the broken neck of Eli, to the strange tour of the Ark of God through the menacing Philistine pentapolis, wreaking havoc. Then there is the complex portrayal of Samuel the prophet, the emergence of the fugitive David as a leader, and the eventual decline, madness, and necromancy of King Saul. Only through a literary study of its many ironies and ambiguities, Bodner amply shows, can the richness of this classic royal drama be fully appreciated.
