Take a doomed princess, a dispossessed prince and a wicked king, a vengeful magician and a melancholy witch; now add fairies, ogres, changelings, scheming barons, wanderers who are not what they seem, robbers, orphans, and a race of hardbitten warriors at war with all humanity. Stir in politics, intrigue, plots and assassinations, battles and sieges, then set it all to simmer in a mythical archipelago across the western sea before the time of Arthur. Jack Vance draws together the threads of fairy tale and pagan myth to weave an epic tapestry of adventure and intrigue in the Elder Isles. The result is a masterpiece. - Matt Hughes "Suldrun's Garden" is Book I of the Lyonesse series, and Volume 52 of the Spatterlight Press Signature Series. Released in the centenary of the author's birth, this handsome new collection is based upon the prestigious Vance Integral Edition. Select volumes enjoy up-to-date maps, and many are graced with freshly-written forewords contributed by a distinguished group of authors. Each book bears a facsimile of the author's signature and a previously-unpublished photograph, chosen from family archives for the period the book was written. These unique features will be appreciated by all, from seasoned Vance collector to new reader sampling the spectrum of this author's influential work for the first time. - John Vance II

A Classic Love Story of a Fearless Lord and the Woman Who Tamed Him Darkly handsome and rich beyond imagining, the bold English conqueror was called “ the Black Lyon ” for his lionlike ferocity. He had no match among enemies, or women . . . until he met Lyonene, the green-eyed beauty whose fiery spirit equaled his own. Through a whirlwind romance and stormy marriage, she endured every peril to be by his side, until vicious lies and jealousy drove her into danger. Now only the fierce Black Lyon can save her—for he alone has the courage to destroy the ruthless plot threatening to shatter the bond of love the Lyon and his lady vowed would never be broken . . .

Eleven-year-old Idris finds his life taking a dramatic turn when, after a near-drowning incident, he is accused of being allied to the feared sea monsters of Lyonesse and is rescued from a death sentence by a mysterious and fearsome stranger.

This book outlines the theory of convenience for white-collar crime to explain what motivates and enables offenders, providing a unique focus on white-collar crime in the business context. The theory of convenience suggests that the extent to which elite members commit and conceal economic crime is dependent on their extent of orientation towards convenience in problematic and attractive situations. Chapters are organized along the main theoretical dimensions of economical motive, organizational opportunity, and personal willingness. In addition, this book: Addresses a business audience by focusing on themes familiar to corporations Documents attitudes towards white-collar crime among business students and future business leaders Analyzes how convenience orientation varies among individuals Analyzes autobiographies of convicted white-collar offenders Demonstrates the various ways in which white-collar crime occurs The Convenience of White-Collar Crime in Business contributes to an increased understanding of white-collar crime, offering valuable insight in business education that supplements the traditional roles of topics like auditing and compliance in education and practice. It is a useful resource for researchers and law enforcement, and those involved in the detection, prosecution, and conviction of white-collar offenders.

In the second volume of the Lyonesse trilogy, new threads are woven into the epic tapestry begun in Suldrun's Garden. While war rages across the Elder Isles, King Aillas's true love, Glyneth, is carried off to a parallel world by an amoral magician in the pay of the wicked King Casmir. Meanwhile, a sorceress's malice, condensed into a green pearl, passes from hand to hand bringing poignant misery to whomever it touches. Jack Vance conjures up a tale

of war and politics, magic and derring-do, presented in the inimitable style that has made him one of fantasy's acknowledged grandmasters. - Matt Hughes "The Green Pearl" is Book II of the Lyonesse series, and Volume 53 of the Spatterlight Press Signature Series. Released in the centenary of the author's birth, this handsome new collection is based upon the prestigious Vance Integral Edition. Select volumes enjoy up-to-date maps, and many are graced with freshly-written forewords contributed by a distinguished group of authors. Each book bears a facsimile of the author's signature and a previously-unpublished photograph, chosen from family archives for the period the book was written. These unique features will be appreciated by all, from seasoned Vance collector to new reader sampling the spectrum of this author's influential work for the first time. - John Vance II

In *The Business of the 21st Century*, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

The History of Atlantis may, in the light of our present knowledge of Plato 's sunken island, appear as a somewhat presumptuous title for a work, the object of which is to present a general outline of what is known concerning Atlantean civilisation. Yet the author placed this study upon a scientific basis, and in so doing he has attached the description of "history" to this work in the hope that the mere invocation of such a name will endow it with the spirit which should inspire all histories a desire to arrive at fundamental truth by every available means. Contents: Preface Introductory The Sources Of Atlantean History I: The Writings Of Plato The Sources Of Atlantean History Ii: From The Fourth Century B.C. Atlantean Historical Sources Examined The Geography Of Atlantis The Races Of Atlantis The Stone Age In Atlantis The Kings Of Atlantis Atlantis In Britain The Traditions Of Atlantis Life In Atlantis The Atlantean State And Polity The Religion Of Atlantis Animal Life In Atlantis The Colonies Of Atlantis The Atlantean Culture Complex

The Elder Isles - an ancient land where chivalry and the realm of fairie exist side by side. A land of mystery, strange beauty, high adventure and arcane magic. Kings are at war, opposing magicians devise ever more cunning stratagems. It is a land where princesses and changelings both can become embroiled in political rivalries and the quest for the grail. The Gollancz Black Books have proved to be an immensely successful formula for getting well loved stories into the hands of people who also love well made books. Jack Vance's Complete Lyonesse is a perfect addition to the series and contains *Madouc* the novel for which Vance won the World Fantasy Award.

Indonesia is Southeast Asia's largest economy with 240 million people, and GDP growth above 6.5% in 2011 and projected to remain above 6% for the next five years. During the difficult global conditions of 2009, Indonesia's economy was among the top worldwide performers, due to a number of factors, including strong domestic demand and rich natural resources. Solid macroeconomic fundamentals, a stable currency and recent upgrades in bond ratings have made in Indonesia an economy to watch in the coming decade.
