The most practical, real-world presentation of cost accounting on the market, this book blends a traditional and proven method of teaching cost accounting with the integration of innovative topics. Cost topics are covered in the context of organizational strategy and operational tactics, as cost management decisions are sensitive to strategies driven by quality, cost, and innovation. Kinney, Prather-Kinsey, and Raiborn reinforce the material with real-world examples and visual illustrations that bring cost management techniques into the student's sphere of understanding. A flexible organization appropriate for either a one- or two- semester course--coupled with clear and abundant visual presentations--allows students to clearly understand difficult topics. The text's revised organizational structure streamlines chapter materials as well as reduces redundancy between cost accounting and other business courses.

This text has a real world focus and is replete with discussions of real companies. It presents opening and closing vignettes of featured actual companies that relate to the topical coverage of each chapter, and numerous notes discussing current business issues involving real companies related to the particular subjects being discussed within the chapter.

Choose the most practical, real-world oriented approach to cost accounting concepts and procedures with Kinney/Raiborn's COST ACCOUNTING: FOUNDATIONS AND EVOLUTIONS, 7e, International Edition. This reader-friendly text blends proven, traditional methods of cost accounting with today's most innovative topics to engage and challenge your students. New "Potential Ethical Issues" sections emphasize the areas of growing importance in business today. COST ACCOUNTING: FOUNDATIONS AND EVOLUTIONS, Seventh Edition's streamlined framework includes numerous actual company examples and current visual illustrations to reinforce and clarify cost management techniques. Focus companies now integrated within the body of the text provide a smooth read. The book's logically sequenced, visual presentation encourages students to think beyond mere numbers to examine critically today's business decisions. Expanded exercises and problems now provide a greater variety of extensive end-of-chapter practice, while Comprehensive Review Modules for each chapter help students review concepts.
