Dealing with Dragons - Wikipedia

Dealing With Dragons was a very fun read, and if it isn't a classic yet, it ought to be. These books owe a lot to the Oz books and the "Fractured Fairy Tales" segment of the old "Rocky and Bullwinkle" cartoons, and they were great fun to write. Dealing with Dragons began as a short story, "The Improper Princess," and was expanded to novel length at the insistence of Jane Yolen, my editor at Harcourt.
