Don't withdraw from life. Socialising can improve your mood. Keeping in touch with friends and family means you have someone to talk to when you feel low. Be more active. Take up some form of exercise. There's evidence that exercise can help lift your mood. If you haven't exercised for a while, start gently by walking for 20 minutes every day.

Tips for coping with depression - NHS

If an ignorant person is bothering you, you can choose to disregard them. This is especially true if the person is simply trying to make you angry or start an argument. You can simply not respond, or, if you are with a group of people, turn your attention to someone else. If that doesn't work, turn around and tell them to leave you alone.
