This unique dictionary covers all the major German idioms and is probably the richest source of contemporary German idioms available, with 33,000 headwords. Within each entry the user is provided with: English equivalents; variants; contexts and precise guidance on the degree of currency/rarity of an idiomatic expression. This dictionary is an essential reference for achieving fluency in the language. It will be invaluable for all serious learners and users of German. Not for sale in Germany, Austria and Switzerland.

Eine Reise nach Ägypten mit dem Erfolgsautor Erich von Däniken, dessen Bücher Norbert Jost alle gelesen hatte, faszinierte den Autor so sehr, dass er seine Weltanschauung und Gedanken zu Papier zu brachte. So entstanden seine Bücher „Damals“ und „Phantasie und Wahrheit“, in denen er die Überzeugung vieler Menschen teilt, die sich nicht damit abfinden wollen, dass wir alleine im Universum sind. Der Gedanke, dass vor uns Wesen auf der Erde waren, die ihre zahlreichen Zeichen und rätselhaften Werke hinterließen, bewegt den Autor zu noch immer zutiefst. Seine Ausführungen, in denen er sich außer auf Spekulationen auch auf wissenschaftliche Fakten beruft, sind in diesem neuen Werk sehr detailliert und spannend beschrieben. Nach wie vor ist der Autor er der Meinung, dass Wissenschaft eigentlich erst da anfängt interessant zu werden, wo sie aufhört. Dass ein Internet schon während der Steinzeit existierte, ist daher nicht so abwegig - wenn auch in einer ganz anderen Form in dieser Welt. Mehr über den Autor erfahren Sie unter [www.Autorenprofile.de](#)

Treats time, eternity, language, and silence in an original way. Drawing on philosophy, theology, and literature, from the early Middle Ages to the present, Immemorial Silence traces a series of intertwined ideas. Exploring silence as the absence of language, which is nonetheless inherent in language itself, and eternity as the outside of time, cutting through time itself, the book unfolds a series of connections between these temporal and linguistic themes. Karmen MacKendrick is Assistant Professor of Philosophy at Le Moyne College. She is the author of Counterpleasures, also published by SUNY Press.

Western Art and Jewish Presence in the Work of Paul Celan examines “The Meridian” as a base from which to explore the poet’s work as a whole, following the speech’s connections to its sources and to poems written before and after. The discussion focuses on the complex dialogue between Celan’s Jewishness and his vocation as a Western writer.
