The WTO dispute
settlement system plays

Read Online

Dispute

an important role in clarifying and enforcing the legal obligations contained in the WTO Agreement. It has gained a strong practical relevance as more than 300 disputes have been brought from 1 January 1995 through October 2003. While dispute settlement is certainly not the only activity taking place within the

Read Online Dispute

WTO, it has become an important part of the practical reality of the Organization. WTO dispute settlement has also become an important tool in the management by WTO Members of their international economic relations at large. The objective of this handbook is to give the reader a good

Read Online

Dispute

understanding of the practical operation of this system. Working through this guide, the reader will be introduced to all elements of the dispute settlement process, from the initiation of a case through to the implementation of the decision.

This book describes the

Page 32/40

Dispute

Settlement system, the basic principles and the vast variety of rules of the World Trade

Organization. It aims at clarifying the structures and the general concepts, in order to

enable the reader to get a better understanding of the issues at stake in many of the discussions and controversies on world trade.
