"Don't Burp In The Boardroom by etiquette expert Rosalinda Randall is a humorous but all-too-real look at the office etiquette issues facing the modern professional of almost any stripe today. Randall doesn't just give advice on the superficial—how to dress, or what to order at a business lunch etc., although those are covered as well—but takes a hard look at many of the questions facing fresh job-seekers or even long-time employees, viewing situations from different perspectives.

Sassy, funny, blunt, and definitely not sugar coated, Don't Burp in the Boardroom examines etiquette in the workplace, from the warehouse to the top floor. While the outerwear may be different, the dilemmas from cubicle to corner office are the same. Rosalinda Randall delves into common predicaments like food, the break room, social media and electronics, office romances, or how to make a good impression when you're new on the job. She also delves into the uncommonly common like catching your boss in an unfortunate position and how to avoid that one co-worker who always wants a hug. In today's modern, fast-paced, crazy lifestyle we think we don't have time for etiquette. We might believe that it is outdated, irrelevant, or even pretentious. But Don't Burp in the Boardroom talks about etiquette without mentioning etiquette! How's that possible? Because Rosalinda defines etiquette as an attitude. What's yours like?

What are “Imperative Sentences”? The word "imperative" is derived from the term "emperor". Imperative sentences are used to give commands (orders). Imperative sentences are also used to give instruction/advice/suggestion/warning/invitation/appeal. Imperative sentences are also used to make a request. You should use 'please' (or another polite word) in the beginning or at the end of the sentence to make a request. An imperative sentence begins with the base (first) form of a verb which is also called a verb word. In an imperative sentence, the subject - 'you' - is understood. However, for the first and third-person imperative, the imperative sentence begins with 'let'. You can end an imperative sentence with the period (.) or exclamation (!). Exclamation is used to show direct and firm command. 'Imperative' is one of the three moods of an English verb (indicative, imperative and subjunctive). EXAMPLES OF IMPERATIVE SENTENCES: (A). DIRECT ORDER Attend the meeting. Discharge your duty. Enforce the law. Quash the previous order. Return to work. Vacate this place. (B). INSTRUCTION Climb the stair. Fill out this form. Go on foot. Hang a painting. Light a candle. Note this down. Open up the cage. Push a trolley. Spell it out. Tie your shoelaces. Unpack the luggage. (C). INFORMAL ADVICE Book a hotel room. Improve your appearance. Mend your ways. Walk elegantly. (D). SUGGESTION Follow your dreams Keep up your English. (E). WARNING Don't Jump that gate! Watch out for a traffic signal! (F). INVITATION Come to the party with me. Have a meal with us. Let's stay at my house. (G). APPEAL Be Silent. Let's curb the menace of drugs addiction. (H). REQUEST Give me five hundred dollars, please. Come soon, please. Other Uses of Imperative Sentences: 1. Wish -- Have a safe journey. 2. Apology -- Pardon me. 3. Permission -- Join us if you want. 4. Public Notice -- Imperatives are used on signboards or notice boards: Keep off the grass. Insert your ATM card. Pull the door. Push inside. Important Note -- An imperative sentence can imply different senses (command/instruction/advice, etc.) based on the intonation. [Note: 'Intonation' is defined as the rise and fall of the voice in speaking, as this affects the meaning of what is being said.] English Imperative Sentences -- A Abide by the commission's verdict. Accept his decision. Achieve your target. Acknowledge the achievements of women. Acquire land for road infrastructure. Act quickly. / Act swiftly. Add details to this report. Address a press conference. Address his concerns regarding payments next week. Address their demands. Adhere to the standard operating procedure. Adjust the rules to help consumers. Adjust to a new location. Admire your parents. Adopt a good strategy in choosing the right candidates. Adopt a long-term vision for the industry. Adopt modern technology. Adopt a wait and watch policy. Aim it. Airlift the injured to the state capital for treatment. Allow her to explain herself completely without interrupting her. Allow him to return

home. Alter the course of your life. Amend the act. Analyze the reasons for your defeat. Analyze the sample. Announce your candidacy. Answer the question. Anticipate rate hikes. Apologize if you hurt someone. Apply colors on his forehead. Apply for a job. Apply for marks verification. Apply for a passport. Appoint a manager. Appreciate compassionate behavior. Approach him for help. Approach the court. Approve the plan. Arrange everything before it is late. Arrange for cash to meet your expenses. Arrange funds from your relatives. Arrange funds on your own. Arrive early on the scene. Ask for a receipt. Ask for more information. Ask him his name. Ask him what had happened. Ask politely. Ask the right questions.

The special 5th Anniversary Edition of SLIMED! An Entertainment Weekly “Best Tell-All” Book One of Parade Magazine's “Best Books About Movies/TV” Included in Publishers Weekly's “Top Ten Social Science Books” Before the recent reboots, reunions, and renaissance of classic Nickelodeon nostalgia swept through the popular imagination, there was SLIMED!, the book that started it all. With hundreds of exclusive interviews and have-to-read-‘em-to-believe-‘em stories you won't find anywhere else, SLIMED! is the first-ever full chronicle of classic Nick...told by those who made it all happen! Nickelodeon nostalgia has become a cottage industry unto itself: countless podcasts, blogs, documentaries, social media communities, conventions, and beyond. But a little less than a decade ago, the best a dyed-in-the-wool Nick Kid could hope for when it came to coverage of the so-called Golden Age (1983–1995) of the Nickelodeon network was the infrequent listicle, op-ed, or even rarer interview with an actual old-school Nick denizen. Pop culture historian Mathew Klickstein changed all of that when he forged ahead to track down and interview more than 250 classic Nick VIP's to at long last piece together the full wacky story of how Nickelodeon became “the Only Network for You!” Celebrate the fortieth anniversary of Nickelodeon with this special edition of SLIMED! that includes a new introduction by Nick Arcade's Phil Moore in addition to a foreword by Double Dare's Marc Summers and an afterword by none other than Artie, the Strongest Man in the World himself (aka Toby Huss). After you get SLIMED!, you'll never look at Nickelodeon the same way again. “Mathew Klickstein might be the geek guru of the 21st century.”—Mark Mothersbaugh

For fans of Jojo Moyes, David Nicholls and Sophie Kinsella, here is a Pride and Prejudice for the modern era. Londoners Kim and Harry can't see eye to eye...until the life of the person they both love most hangs in the balance. Kim has never grasped what her free-spirited big sister Eva sees in a stuck-up banker like Harry and has spent her childhood trying to keep him out, while Harry's favourite occupation is winding Kim up. Both Harry and Kim are too trapped in their prejudices to care about what's really going on beneath the surface of each other's lives. They'll never understand each other—until the worst of all tragedy strikes. Faced with the possibility of losing the person they both love most, long-buried secrets come to a head in ways that will change both Harry and Kim forever. Marianne Kavanagh is a former deputy editor of Marie Claire and has contributed to a wide variety of newspapers, magazines, and websites, including the Telegraph, Daily Mail, Guardian, My Daily, Easy Living and Red. Her debut novel, For Once in My Life, was published in 2014. She lives in London. Praise for For Once in My Life 'Kavanagh's novel is superior chick lit: beautifully written, enlivened by witty and wise observation.' Age/Sydney Morning Herald '[A] witty, summer-fresh debut.' Independent 'This book is fantastic. It's hilarious, poignant and profound by turns; most of all, it's unpretentious. Unlike so many novels it just wants to tell you a lovely story. It's not about how clever the author is nor is it all style over substance. But precisely because of that it's both clever and stylish anyway... Adorable.' Daily Mail 'The charming and summery first novel from columnist Marianne Kavanagh. This human story of love's near-misses centres around Tess and George, whose eventual (inevitable) meeting is cleverly delineated to call sentimental notions of soul mates into question.' Vogue 'Kavanagh gives the reader plenty of humour...Her descriptive prose is wonderful.' BookMooch 'This is a tale of coping with adversities, a tale of love and loss and ultimately of acceptance. Unashamedly, a light-hearted paperback...This fun read will make you forget about your own problems in a jiffy!' WYZA

Journalist Ryan Nerz spent a year penetrating the highest echelons of international competitive eating and Eat This Book is the fascinating and gut-bustingly hilarious account of his journey. Nerz gives us all the facts about the history of the IFOCE (Independent Federation of Competitive Eating)--from the story of a clever Nathan's promotion that began in 1916 on the corner of Surf and Stillwell in Coney Island to the intricacies of individual international competitions, the controversial Belt of Fat Theory and the corporate wars to control this exploding sport. He keeps the reader turning the pages as we are swept up in the lives of Sonya "The Black Widow" Thomas, "Cookie" Jarvis, "Hungry" Charles Hardy, and many other top gurgitators whose egos and secret agendas, hopes and dreams are revealed in dramatic detail. As Nerz goes on his own quest to become a top gurgitator, we become obsessed with him as he lies awake at night in physical pain from downing dozens of burgers and learning to chug gallons of water to expand his increasingly abused stomach. Sparing no one's appetite, Nerz reveals the training, game-day strategies and after-effects of competition in this delectably shocking banquet of gluttony and glory on the competitive eating circuit.

A death bed request inspires an Army Nurse to tell the truth about the war. He Called Me Lieutenant Angel speaks to you with the insistent voice of love, hope and redemption, from the Intensive Care Ward of a Vietnam Hospital. It is a story of strength and enlightenment, a tribute to all the extraordinary young soldiers and nurses who share the intimate, final moments of life. "Thank you for this important gift to humanity. I could not put the book down. I was intensely engaged in the imagery of the poems, narrative and "aftertaste" of each chapter. I felt elated, saddened, shocked, tearful, angry, sympathetic, reflective, and even somehow envious over the dynamic relationship you had with Davey and the powerful experiences that came from it. I think about our men and women currently in war and pray that each of them has a Lt Angel by their side." Mark Stanford, PhD

21st Club has been sharing its ideas on its Evolution blog for several years. This book celebrates the 100th post by bringing together a selection of the most popular articles, all designed to offer fresh perspectives and creative approaches to crucial topics including strategy, succession planning, recruitment and performance. Presenting stories, case studies and analytical methods that demonstrate the value of objective thinking, Changing The Conversation aims to help football club boardrooms - and indeed anyone in business who faces similar challenges - find true competitive advantage.

Smashing Balls -Golf, Opening Doors for Women helps you navigate through the golf world in an easy and fun fashion. The stories inspire, entertain and educate you in the language and etiquette of golf. This book gives business women a blueprint to learn to play golf and to use golf as a business and networking tool. Getting started in golf can have its challenges and can be intimidating, especially for women. Smashing Balls will give women confidence and provide the tools to get started playing golf. Traditionally, golf lessons start in the backyard, park or driving range with a friend or relative giving

instructions. They teach as they have been taught, and may use the latest tips from a golf magazine. This all seems reasonable - or does it? Why would you expect anyone to successfully hit a golf ball if they can't hit a tee ball off of a tee ball stand? Yet that is precisely what is expected of the beginner golfer. It is analogous to going into a martial arts class for the first time and be expected to smash your hand through a board. In martial arts, everyone starts at the beginning. We think that is a better model for learning and teaching complex motor skills. You may be one of those women who never developed these skills. Even if you did participate in sports when you were younger, you may need some remedial work. Your time has been devoted to careers and raising a family, so those athletic skills may be a little rusty. Let's face it, golf isn't easy to learn. However, "Smashing Balls" can make the learning process easier. The book provides a progression of carefully designed fun physical exercises. The progression is designed to advance quickly and efficiently. Let's face it, golfers want to play, not practice. The methods in this book get the beginner out on the golf course smashing the ball down the fairway as soon as possible. In addition to the physical challenges of golf, there are rules, etiquette and vocabulary to learn. Many books go into excruciating detail on these topics. For the recreational or strictly social golfer, this book sticks to the basics. Modification of some rules to make the game more enjoyable for the beginner and anyone who plays with them are recommended in the book. Over 80% of beginning golfers will not take golf lessons from a golf professional, so a golf instruction book, such as Smashing Balls, written in layman's terms will get you off to a better start.

Men trying to be better husbands through trial and error will welcome the wisdom, humour and aphorisms of Don't Slap Your Wife. The book demystifies some of the tribulations married couples face, including day-to-day interactions with each other, adjustments during and after the honeymoon phase, and even pent-up resentment. It asks married men to delve into the innermost workings of relationships to get the best out of the women they have invited into their lives and families. Don't Slap Your Wife deals with a serious subject lightly, and in an inimitably honest and irreverent way. Amusing and thought-provoking, this is an entertaining book that will help husbands navigate the sometimes confusing territory of marriage.
