Dream On Amber is about a half Italian, half Japanese girl called Amber who hates her name, hates how she looks and how short she is, wants a new phone, can't stand anything that's gross, misses her dad, is an artist and has trouble starting her new school. It was kinda cute, but annoying at the same time.

Just like her name. It's not easy being half Japanese, half Italian and pocket-size tiny. Think it sounds exotic? Dream on! But the hardest bit about being Amber is that a part of her is missing. What Amber never quite realizes consciously is that she is spending more effort providing solutions for herself in her dream father's perspective: those answers are there all along. A book that is fun to read, with insets where Amber uses and explains British-isms, humor and situations familiar to most middle schoolers to move the story forward and present her life.

Though Dream On, Amber is ripe with opportunities for didacticism, Amber's appealingly oddball voice makes the lessons go down easy. Dream On, Amber also does something unusual for a children's book that grapples with race: It does not solve Amber's biracial identity crisis. Though Amber struggles with the questions of her missing father and Japanese identity, the biggest lesson of this book is that sometimes there are no answers.

Amber is facing up to life without Dad. He left when she was little, but now she really needs him, and if he isn't coming back she'll have to dream up other ways to sort things out. But replying to her little sister's 'Dear Dad' letters was definitely not one of her best ideas.

My name is Amber Alessandra Leola Kimiko Miyamoto. I have no idea why my parents gave me all those hideous names but they must have wanted to ruin my life, and you know what? They did an amazing job. As a half-Japanese, half-Italian girl with a ridiculous name, Amber's not feeling molto bene (very good) about making friends at her new school. But the hardest thing about being Amber is that a part of her is missing. Her dad. He left when she was little and he isn't coming back. Not for her first day of middle school and not for her little sister's birthday. So Amber will have to dream up a way for the Miyamoto sisters to make it on their own... "[A] beautifully written story."-The Independent "One of those books that you simply won't want to put down...five out of five stars!"-The Guardian

"Dara's larger-than-life personality and true-to-life middle grade issues command center stage until the curtain falls." -School Library Journal, Starred Review Dara Palmer is destined to be a star, and she's writing herself the role of a lifetime. Dara longs for stardom-but when she isn't cast in her middle school's production of The Sound of Music, she get suspicious. It can't be because she's not the best. She was born to be a famous movie star. It must be because she's adopted from Cambodia and doesn't look like a typical fraulein. (That's German for girl.) So irrepressible Dara comes up with a genius plan to shake up the school: write a play about her own life. Then she'll have to be the star. "After fourteen-year-old Eden is raped by her brother's best friend, she knows she'll never be the way she used to be"--

Scarlet was just your average 18 year old enjoying life with a great job, perfect boyfriend, and awesome best friend until one day her world was turned upside down. A vicious rage grew inside her causing her to seek vengeance. Looked over and pushed around by women who skated through life using only their good looks infuriated her and made her determined to take away those things that made them who they were. What will happen to these women? Will Scarlet seek the revenge she so strongly hoped for? Will she ever catch a break? I wrote Scarlet Dawn because so many people both men and women get passed over because of women who are beautiful but have no qualifications. I could never understand how that could happen and Im certain that there are people who will read this book and be able to in some way relate to Scarlet just as I do.
