Duel in the Dark is a good start of a new series, Blood on the Stars, from Jay Allan. It is an action filled story which essentially is a prelude to an all out war. It has good world building, enjoyable characters and plenty of action. The underlying premise of the story is the all too common one, in fiction as well as in real life.

~~Duel in the Dark (Blood on the Stars, #1) by Jay Allan~~

between two veteran warriors, two captains, two heroes. An epic battle that only one can survive. A fight to determine if there is peace, or a bloody war where billions will die.

~~Duel in the Dark (Blood on the Stars Book 1) eBook: Allan ...~~

A decent straight-ahead military SF tale culminating in a duel between two battleships. It's a page-turner, with the usual battleships, fighter pilots and marines all present and correct. As usual with military SF, we don't get huge depth of characterisation, but the characters are believable enough and their courage is admirable.

The story is a Duel in the Dark, where men and women of 2 different factions, with their own code of honour and believes, give their blood on the stars. While I did not get a fun space opera, I got one that will stick with me for some time. That I will always remember as a really passionate good thoughtful read. 89 people found this helpful

A Gripping New Adventure by the Author of the Bestselling Crimson Worlds and Far Stars series...The Confederation has fought three wars against the forces of the totalitarian Union. Three generations of its warriors have gone off to war, held the line against the larger, more powerful enemy. Now the fourth conflict is imminent, and the Confederation's navy is on alert, positioned behind the frontier, waiting for the attack it knows is coming. The battleship Dauntless has spent the past ten months patrolling the border, deployed far forward of the main fleet, a forlorn hope, an advance guard positioned to give the warning of invasion. But no attack has come. Her crew is exhausted, and the aging battleship needs maintenance. With the fleet mobilized and the forward bases overloaded beyond capacity, she is sent clear across the Confederation, to a planet along the quiet and peaceful far frontier. Her crew is looking forward to a rest, and Dauntless herself is scheduled for a long-overdue maintenance session. But the quiet frontier

isn't what it seems...and when a distress call is received from one of the mining colonies on the edge of Confederation space, it falls to Captain Tyler Barron to take Dauntless forward, to find out what is happening, and to put a stop to it. Barron and his crew have their ship-and each other-but they can expect no other help. Suspicion is strong that Union deceit is at play, that the attack is some sort of diversion, intended to draw Confederation forces from the disputed border. The orders are clear. No ships will be transferred from the prospective battle line. Stopping whatever is happening on the rim is Barron's responsibility, and his alone. Barron is the grandson of the Confederation's great hero, the father of the modern navy. His family name has always carried privilege with it, and crushing responsibility. And now he must prove that he has inherited more from his famous grandfather than name and privilege. He must face the enemy, and win the victory...before the Confederation is caught between two enemies and destroyed. Blood on the Stars Reading Order Book 1: Duel in the Dark Book 2: Call to Arms (January 2017, Available now for preorder)

Set during World War I, this monumental philosophical novel about human despair inspired Albert Camus' own writing and prefigured the greater existential movement. Blood Dark tells the story of a brilliant

# Read Online Duel In The Dark Blood On The Stars Book 1

philosopher trapped in a provincial town and of his spiraling descent into self-destruction. Cripure, as his students call him—the name a mocking contraction of Critique of Pure Reason—despises his colleagues, despairs of his charges, and is at odds with his family. The year is 1917, and the slaughter of the First World War goes on and on, with French soldiers not only dying in droves but also beginning to rise up in protest. Still haunted by the memory of the wife who left him long ago, Cripure turns his fury and scathing wit on everyone around him. Before he knows it, a trivial dispute with a complacently patriotic colleague has embroiled him in a duel.

The previously untold story of the violence in Congress that helped spark the Civil War In The Field of Blood, Joanne B. Freeman recovers the long-lost story of physical violence on the floor of the U.S. Congress. Drawing on an extraordinary range of sources, she shows that the Capitol was rife with conflict in the decades before the Civil War. Legislative sessions were often punctuated by mortal threats, canings, flipped desks, and all-out slugfests. When debate broke down, congressmen drew pistols and waved Bowie knives. One representative even killed another in a duel. Many were beaten and bullied in an attempt to intimidate them into compliance, particularly on the issue of slavery. These fights didn't happen in a

# Read Online Duel In The Dark Blood On The Stars Book 1

vacuum. Freeman's dramatic accounts of brawls and thrashings tell a larger story of how fisticuffs and journalism, and the powerful emotions they elicited, raised tensions between North and South and led toward war. In the process, she brings the antebellum Congress to life, revealing its rough realities—the feel, sense, and sound of it—as well as its nation-shaping import. Funny, tragic, and rivetingly told, *The Field of Blood* offers a front-row view of congressional mayhem and sheds new light on the careers of John Quincy Adams, Henry Clay, and other luminaries, as well as introducing a host of lesser-known but no less fascinating men. The result is a fresh understanding of the workings of American democracy and the bonds of Union on the eve of their greatest peril.

Unable to read about his bloody exploits in the newspaper, serial killer Jeeter Frost finds a teacher to help him, while the townsfolk of Coffin Varnish, hoping to cash in on his infamy, put his victims on display, to which he strongly and violently objects. Original.

"You will bend to my will, or you will regret it, princess." For the first time in her life, Bianca Da Costa feels free, even when she is bound by chains. Kidnapped from under her mobster daddy's nose, she has no way of escaping the Hound - the Abbate crime

# Read Online Duel In The Dark Blood On The Stars Book 1

family's most vicious hitman. But maybe she doesn't want to escape. Maybe her savior is the dark beast himself... And to face him, Bianca will have to look right into the eyes of the monster. Matteo Salini is trained to kill. Pumped with drugs and used to blood, he doesn't expect to flinch when he has to take Bianca's life. She's beautiful - there is no doubt in that. But Matteo has women servicing him left and right, and he doesn't need a spoiled mafia princess to screw with his head. Bianca is much more than that though, and her tenderness finds its way under Matteo's rough skin. She might be his only chance of redemption. She's his prisoner, he's her savior. And DARK BLOOD is about to be spilled. Full-length dark romance novel. No cliffhanger. No cheating. HEA.

"[A] sophisticated and intelligent high fantasy epic."—Publishers Weekly The legendary Briar King has awakened, spreading madness and destruction across a land devastated by a royal family's fall from power through treachery and dark magic. Half-remembered prophecies may point to the young princess Anne Dare, rightful heir to the throne of Crotheny, as the world's only hope. But a mysterious assassin stalks her, so skilled that even Anne's friend and protector Cazio cannot stand against him, nor can her sworn defender, the young knight Neil MeqVren. Though Anne herself is the conduit of fearsome powers beyond her understanding

# Read Online Duel In The Dark Blood On The Stars Book 1

and control, it is time for girl to become woman, princess to become queen. Anne must stop running and instead march at the head of an army to take back her kingdom . . . or die trying. Praise for The Kingdoms of Thorn and Bone "A graceful, artful tale . . . a snare of terse imagery and compelling characters that grips tightly and never lets up."—Elizabeth Haydon, author of The Assassin King, on The Briar King "There is adventure and intrigue, swordplay and dark sorcery aplenty."—Realms of Fantasy, on The Charnel Prince

## Book 15 of Blood on the Stars

Erik Cain joined the marines to get off death row. The deal was simple; enlist to fight in space and he would be pardoned for all his crimes. In the 23rd Century, assault troops go to war wearing AI-assisted, nuclear-powered armor, but it is still men and blood that win battles. From one brutal campaign to the next, Erik and his comrades fight an increasingly desperate war over the resource rich colony worlds that have become vital to the economies of Earth's exhausted and despotic Superpowers. As Erik rises through the ranks he finally finds a home, first with the marines who fight at his side and later among the colonists - men and women who have dared to leave everything behind to build a new society on the frontier, one where the freedoms and rights lost long ago on Earth

# Read Online Duel In The Dark Blood On The Stars Book 1

are preserved. Amidst the blood and death and sacrifice, Erik begins to wonder. Is he fighting the right war? Who is the real enemy? Crimson Worlds II: The Cost of Victory - Available Now! Tombstone: A Crimson Worlds Prequel - Available Now! Crimson Worlds III: A Little Rebellion - December 2012

This action-heavy EPIC FANTASY SERIES OPENER is like a sword-and-sorcery Spartacus set in a richly-imagined world. It starts with a shipwreck following a magical storm at sea. Horace, a soldier from the west, had joined the Great Crusade against the heathens of Akeshia after the deaths of his wife and son from plague. When he washes ashore, he finds himself at the mercy of the very people he was sent to kill, who speak a language and have a culture and customs he doesn't even begin to understand. Not long after, Horace is pressed into service as a house slave. But this doesn't last. The Akeshians discover that Horace was a latent sorcerer, and he is catapulted from the chains of a slave to the halls of power in the queen's court. Together with Jirom, an ex-mercenary and gladiator, and Alyra, a spy in the court, he will seek a path to free himself and the empire's caste of slaves from a system where every man and woman must pay the price of blood or iron. Before the end, Horace will have paid dearly in both. From the Trade Paperback edition.

In the epic fifth installment in this

# Read Online Duel In The Dark Blood On The Stars Book 1

"compulsively readable" (People) series, Galbraith's "irresistible hero and heroine" (USA Today) take on the decades-old cold case of a missing doctor, one which may be their grisliest yet. Private Detective Cormoran Strike is visiting his family in Cornwall when he is approached by a woman asking for help finding her mother, Margot Bamborough—who went missing in mysterious circumstances in 1974. Strike has never tackled a cold case before, let alone one forty years old. But despite the slim chance of success, he is intrigued and takes it on; adding to the long list of cases that he and his partner in the agency, Robin Ellacott, are currently working on. And Robin herself is also juggling a messy divorce and unwanted male attention, as well as battling her own feelings about Strike. As Strike and Robin investigate Margot's disappearance, they come up against a fiendishly complex case with leads that include tarot cards, a psychopathic serial killer and witnesses who cannot all be trusted. And they learn that even cases decades old can prove to be deadly . . . .
