Eric Stanton was an American underground cartoonist and fetish art pioneer. While Stanton began his career as a bondage fantasy artist for Irving Klaw, the majority of his later work depicted gender role reversal and proto-feminist female dominance scenarios.

Eric Stanton: Master Fetish Artist

Eric Stanton was an American artist of fetish cartoons and comics, that often featured bondage and fighting girls. He was born Ernest Stanzoni into a family of Russian origins in New York City.

Eric Stanton - Lambiek Comicipedia

Elmer Batters and Eric Stanton were two such figures liberated by their military experiences; otherwise destined for careers as a commercial photographer or illustrator respectively, they made it out of the war alive and emerged into the new world with a determination to follow their artistic noses, wherever it may lead them.

I thought why not mix-and-match and re-assemble the perfect edition of Eric Stanton's classic, Sweeter Gwen? I even reconstructed the cover, using a photo of the original watercolor painting, which was owned by Bélier Press publisher J.B. Rund, who purchased it directly from Edward Mishkin in the 1970s.

Tracing the rise of commercial fetish art from its shadowy beginnings in the 1940s to its acceptance in the 1970s, this illustrated biography explores the unconventional life and art of Eric Stanton, a pioneering sexual fantasist who helped shape the movement. With more than 400 rare images and interviews with Stanton's family and closest associates, this biography chronicles the infamous circle of patrons, publishers, and cult icons populating his subterranean world, including Irving Klaw, John Willie, Bettie Page, Steve Ditko, and Gene Bilbrew. It is the untold, secret history of a misunderstood culture, the abuses of government authority, social intolerance, and gangsters. But above all, it is a tale about survival against all odds and an artist who had the courage to stay true to himself.

Fetish artist Eric Stanton had a most particular and personal preference: strong, buxom, and leggy women dominating tied-up, handcuffed, and awestruck men. A titillating range of 20 comic strip fantasies, these timeless pictures offer an introduction to his universe of bondage, big breasts, and exquisite suffering.

Pulp art at its finest: A Stanton retrospective “ A woman has to be strong. The bigger the better. ” —Eric Stanton Eric Stanton (1926-1999) has been called “ the Rembrandt of Pulp-Culture ” and it's not

hard to see why—he is perhaps the brightest star of his genre. His imaginative, detailed full-color comic strip narratives picture buxom, leggy femmes fatales having their way with tied-up, handcuffed, or simply awestruck men. Stanton's imagery is either an empowerment of female sexuality or a caricature of female-domination fantasy—depending on whom you ask—but there is no doubt that in Stanton's world, women rule the land. This retrospective volume covers Stanton's work from the late 1940s until the 1990s, including over 500 comic strips, single illustrations, and magazine covers. Also featured is an in-depth introductory text exploring Stanton's life and work by photographer Eric Kroll. Text in English, French, and German

Two complete Eric Stanton vintage classics, like you've never seen them before. (Both reconstructed from archival material and designed to display Stanton's risqué humor.) Out of print for many decades, *The Return of Gwendoline* (c.1965), a follow up to Stanton's *Sweeter Gwen* (his comic tribute to John Willie), and *Deborah* (1957), a noirish, fetish fashion adventure originally serialized in *Exotique* magazine. Two rare, complete serials, plus additional bizarre "Golden Age" Stanton art—all collected in one elegant, low-cost volume! If you're an admirer of sexy, alternative illustration—or a fan of Bettie Page, John Willie, Charles Guyette, Irving Klaw, corsets, tightlacing, latex or leather, ultra-high-heel shoes, bizarre boots, sexy domination, shibari, 1950s vintage glamour, exotic glamour and fetish fashion—then this collection is for you. Make this book yours today! [Enjoy as a stand-alone volume of great Stanton art ... or as a supplement to the definitive "classic era" collector's hardcover book, *Eric Stanton & the History of the Bizarre Underground*, available right now on Amazon!]

Eric Stanton's personal favorite comic caper was also a loving (if crackpot) homage to John Willie's legendary damsel-in-distress creation, *Sweet Gwendoline*. Stanton delivers a *Mad* magazine-like sendup of Willie's original, complete with Will Elder-like funny business. And yet even with all this slapstick, Stanton's female leads, including the imperious Countess, the pliant Gaga and the innocent Gwen, are as gorgeous as any he's ever drawn, and the fetish wear, bondage play, and femme-on-femme fights are as rousing as ever. Stanton's pencils were inked by Steve Ditko, who also contributed some original art, while the two toyed with the creation of Spider-Man in the spring of 1962. This special edition was reconstructed from archival material, correcting earlier printings and designed to display the risqué humor of Stanton's art. Learn more (copy & paste): fethistory.blogspot.com/2018/03/sweeter-gwen-is-back-eric-stantons.html ===== Tags: Eric Stanton, Eric Stanton & the History of the Bizarre Underground, Steve Ditko, John Willie, Leonard Burtman, Bettie Page, vintage fetish art, 1960s, The Adventures of Sweet Gwendoline, Sweet Gwendoline, Sweeter Gwen, Gwen Stacy

Stanton has been called the Rembrandt of pulp-culture. His imaginative, detailed full-color comic strip narratives picture buxom, leggy femmes fatales having their way with tied-up, handcuffed, or simply awestruck men. The stories included here are highlights from our huge tome *Eric Stanton, The Man Who Knows His Place*.

A new mode of masturbating into the next millennium Anyone who has seen her *Digital Diaries* has intimate knowledge of Natacha Merritt. And of her friends, male and female, and her acquaintances as well. But Merritt's favourite motif is herself: she poses almost every minute of the day for her camera, taking photographs of herself in bed, in the shower, having sex with her friend, masturbating with and without accessories, from every imaginable angle and with the camera usually at arm's length. Merritt, born 1977, works with a digital camera, the Polaroid of the 90s, breaking down the most intimate details into universally accessible bits of information. Eric Kroll came across Natacha Merritt by chance in the internet, where she had put several of her photographs. This was something that left the tradition of classical pin-up and fetish photography, in which Kroll himself works, far behind it.

This book examines the take-a-knee protests, incorporating analysis of media coverage, impact on attitudes and behaviors, and racial, religious, gendered, and political perspectives. The analysis allows readers to recognize both positive and negative prejudice and to proscribe possible solutions for political divisiveness.

With hundreds of rare and extraordinary images culled from his influential 24-year career, this volume illustrates the story of the first black career fetish artist in history: Gene Bilbrew, a.k.a. "Eneg," a man whose unique vision redefined cutting-edge art of the 1950s and '60s. Tracing his life from childhood in Los Angeles to his vocal group days with *The Mellow Tones* and the *Basin Street Boys*, to his sudden rise as a "bizarre art" rebel in New York City, *GENE BILBREW REVEALED* presents a vibrant overview of his work for renegade publishers Irving Klaw, Leonard Burtman, Edward Mishkin and Stanley Malkin, while also exploring his sometimes contentious, love-hate relationship with fellow art pioneer Eric Stanton. *GENE BILBREW REVEALED* is a must-have visual experience for underground comic art fans, pulp art collectors, enthusiasts of outsider art, and, of course, lovers of classic vintage fetish art. From vintage fetish art specialist, Richard Pérez Seves, author of *Eric Stanton & the History of the Bizarre Underground*, and *CHARLES GUYETTE: Godfather of American Fetish Art* (both available now on Amazon).
