Some people seem to find money so easy. Easy to make, easy to hold on to and easy to grow. The rest of us just find it easy to spend. Here's a personal code for a life of prosperity and plenty.

Love matters. Whether it's the romantic kind or the emotional bond between you and family or friends. Indeed latest research suggests that those who love and are loved are significantly more likely to be alive in 10 years time than those without love in their lives. Love makes us happy, and the happier we are, the longer it seems we tend to live. So, why is it that some people find relationships so easy? We all know the kind of person, married forever, connected with their family, and strong friendships that have stood the test of time from all stages of life. The people who make friends easily, who have someone utterly devoted to them and for whom many would do anything. What do they know and do that the rest of us could learn from? That's what you'll find in this book. If you study people who are
