The questions are typical of those used in exams for an English diploma for university entrance. These practical writing exercises support my previous three "Academic Writing Skills" series books: 1. "Learn English Paragraph Writing Skills" 2. "Practical Academic Essay Writing Skills" 3. "The 5 Step Essay Writing Process" The exercise groups cover grammar areas such as capitals, commas, sentence structure and errors, and subject/verb agreement required for confident academic English writing skills. As well as the common grammar questions, there are questions to improve essay writing skills such as topic and supporting sentences, unity, coherence, and examples of transition signals.
