knowledge necessary by spelling out the principles and concepts covered on the exam. In addition, and perhaps most importantly, the codes are translated into an easy to read format that does away with the long and often confusing wording found in the formal Building Code. The book also comes with a link for you to access hours of video content as well. Whether you are a novice or possess a wealth of construction knowledge, this is the book you need to prepare yourself for the General or Residential Florida Contractor's Exam.

This unique and popular publication is written for apprentices,
