Read Book Football For A Buck The Crazy Rise And Craziest Demise Of The Usfl

From a multiple New York Times best-selling author, the rollicking, outrageous story of the United States Football League, a bona fide professional sports phenomenon full of larger-than-life characters and you-can't-make-this-up stories featuring some of the biggest celebrities and buffoons in the game.

From a multiple New York Times bestselling author, the rollicking, outrageous, you-can't-make-this-up story of the USFL The United States Football League—known fondly to millions of sports fans as the USFL—was the last football league to not merely challenge the NFL, but cause its owners and executives to collectively shudder. It spanned three seasons, 1983-85. It secured multiple television deals. It drew millions of fans and launched the careers of legends. But then it died beneath the weight of a particularly egotistical and bombastic owner—a New York businessman named Donald J. Trump. The league featured as many as 18 teams, and included such superstars as Steve Young, Jim Kelly, Herschel Walker, Reggie White, Doug Flutie and Mike Rozier. In *Football for a Buck*, the dogged reporter and biographer Jeff Pearlman draws on more than four hundred interviews to unearth all the salty, untold stories of one of the craziest sports entities to have ever captivated America. From 1980s drug excess to airplane brawls and player-coach punch outs, to backroom business deals, to some of the most enthralling and revolutionary football ever seen, Pearlman transports readers back in time to this crazy, boozy, audacious, unforgettable era of the game. He shows how fortunes were made and lost on the backs of professional athletes and also how, thirty years ago, Trump was a scoundrel and a spoiler. For fans of Terry Pluto's *Loose Balls* or Jim Bouton's *Ball Four* and of course Pearlman's own stranger-than-fiction narratives, *Football for a Buck* is sports as high entertainment—and a cautionary tale of the

Read Book Football For A Buck The Crazy Rise And Craziest Demise Of The Usfl

dangers of ego and excess.

In this New York Times bestselling memoir, the announcer of the biggest sporting events in the country—including the 2017 Super Bowl and this century's most-watched, historic, Chicago Cubs – winning World Series—reveals why he is one lucky bastard. Sports fans see Joe Buck everywhere: broadcasting one of the biggest games in the NFL every week, calling the World Series every year, announcing the Super Bowl every three years. They know his father, Jack Buck, is a broadcasting legend and that he was beloved in his adopted hometown of St. Louis. Yet they have no idea who Joe really is. Or how he got here. They don't know how he almost blew his career. They haven't read his funniest and most embarrassing stories or heard about his interactions with the biggest sports stars of this era. They don't know how hard he can laugh at himself—or that he thinks some of his critics have a point. And they don't know what it was really like to grow up in his father's shadow. Joe and Jack were best friends, but it wasn't that simple. Jack, the voice of the St. Louis Cardinals for almost fifty years, helped Joe get his broadcasting start at eighteen. But Joe had to prove himself, first as a minor league radio announcer and then on local TV, national TV with ESPN, and then finally on FOX. He now has a successful, Emmy-winning career, but only after a lot of dues-paying, learning, and pretty damn entertaining mistakes that are recounted in this book. In his memoir, Joe takes us through his life on and off the field. He shares the lessons he learned from his father, the errors he made along the way, and the personal mountain he climbed and conquered, all of which have truly made him a Lucky Bastard.

“ Over two decades, Brett Favre was as compelling a figure as any in the National Football League. He

Read Book Football For A Buck The Crazy Rise And Craziest Demise Of The Usfl

alone was 'Must-See TV.' In *Gunslinger*, Jeff Pearlman provides an extraordinary look at every facet of the life of a man who performed on sport's grandest stage and who had one helluva time along the way. " —Al Michaels In *Gunslinger*, Jeff Pearlman tells Brett Favre 's story for the first time, charting his unparalleled journey from a rough rural childhood and lackluster high school football career to landing the last scholarship at Southern Mississippi, to a car accident that nearly took his life, and eventually to the NFL and Green Bay, where he restored the Packers to greatness and inspired a fan base as passionate as any in the game. Yet he struggled with demons: addiction, infidelity, the loss of his father, and a fraught, painfully prolonged exit from the game he loved, a game he couldn ' t bear to leave. Gritty and revelatory, *Gunslinger* is a big sports biography of the highest order, a fascinating portrait of the man with the rocket arm whose life has been one of triumph, fame, tragedy, embarrassment, and—ultimately—redemption. " The compelling, complete story of his legend, and his faults. " —Chicago Tribune

In his forthright and honest autobiography, St. Louis Cardinal, World Series, and Super Bowl broadcaster Jack Buck entertains all of his fans once more in a different setting. Jack Buck: "That's a Winner!" does more than entertain, however. It provides readers with an inside look at a man they have listened to so often, they consider him part of the family.

Once Ed Buck, sports reporter, and Adam Benson, star quarterback for the Chicago Bears, played football on the same college team. Years later, they are still close friends. In New York for a game against the Giants, Benson hands Buck the biggest story of his career. Gambling on football is one of the country's leading "industries," and the mob's been forcing Benson to throw games. The quarterback has

Read Book Football For A Buck The Crazy Rise And Crazier Demise Of The Usfl

had enough. Sunday, he tells Buck, he's playing to win, and to hell with the mob. After the game, Buck can run with the story. Adam Benson never makes it off the field alive, and Ed Buck suspects his friend was murdered. Buck knows barely enough to convince a police detective to look into Benson's death--but more than enough to set the mob on his tail. As Lt. Gerry Keegan probes the tangled connections between the dead quarterback and the head of an organized crime family, uncovering drug dealing, murder, blackmail, prostitution, and double- and triple-crosses, Ed Buck and his fiancée run for their lives. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An account of the author's youth in Zimbabwe and in violent Philadelphia street gangs explores how his life was shaped by his father's absence, his brother's imprisonment, and his mother's and sister's struggles with mental illness.

Traces the challenges faced by the University of Michigan football team after 2008, from their rivalries and defeats to the pivotal contributions of Rich Rodriguez and the winner-take-all culture that has dominated their efforts.

Blocking for the Gipper, Lawrence "Buck" Shaw was one of Knute Rockne's star players at Notre Dame during 1919 through 1921. However, it was his nearly four decades of college and pro coaching that earned him esteem. Viewed as a "player's coach," Shaw was talented at relating to young men and molding them into a winning team. His college teams won two Sugar bowls. Shaw's successful coaching with the San Francisco 49ers and Philadelphia Eagles also played an integral role in helping the NFL

Read Book Football For A Buck The Crazy Rise And Crazier Demise Of The Usfl

grow into a billion-dollar business. A contemporary of Vince Lombardi, Shaw's Eagles won the NFL championship in the pre-Super Bowl era. A member of the College Football Hall of Fame, Shaw never received serious consideration for enshrinement at Canton for his professional career. This complete biography tells the colorful story of Shaw's college and pro years, shedding light on Shaw's over-looked achievements in the professional ranks, which saw him earn a higher winning percentage a half-dozen Hall of Fame coaches.

For more than twenty-five years, The Best American Sports Writing has built a solid reputation by showcasing the greatest sports journalism of the previous year, culled from hundreds of national, regional, and specialty print and digital publications. Each year, the series editor and guest editor curate a truly exceptional collection. The only shared traits among all these diverse styles, voices, and stories are the extraordinarily high caliber of writing, and the pure passion they tap into that can only come from sports.
