GT40, a car created by Ford in the 1960s to beat the Ferraris at Le Mans—which they did! The success of the original GT40, coupled with its great looks, made it one of the most popular cars in automotive racing history.

Ford has revived the spirit of the original race car with perhaps its most exciting new car in 30 years—the Ford GT. The new car has lines taken straight off the original GT40 and power supplied by a 500-hp V-8.
