FOREVER MY GIRL, a novel about Rock star Liam Page who, through tragic circumstances, is given a second chance at righting the wrongs he made when he left the one who owned his heart. A story of redemption, forgiveness, and never forgetting your one true love. ONE NIGHT WITH HARRISON, a novella that introduces us to a young Harrison James and what happens when a meet and greet with some fans turns into something far bigger than he ever anticipated MY UNEXPECTED FOREVER, a novel that finds two families torn apart for different reasons, one is dealing with heartache and loss, the other is trying to find acceptance. Join them in this story as they come together against all the odds to find the happiness they deserve. FINDING MY FOREVER, a novel, which tells the true meaning of love. Sacrifice, trust, devotion and taking chances all play key roles in this story of how two people come together while dealing with a threat that could ruin their lives forever.

Rock musician Jimmy "JD" Davis considers pursuing a relationship with Jenna, while she works through the emotional effects of her abuse at the hands of her ex-husband.

"I expected a life of music. I expected to raise my son. It took one look to make everything change. I never expected happiness. I never expected to find her. I never expected to feel desire. I never expected I'd be a family man. I never expected to be loved. I never expected to fall in love. They say you should expect the unexpected, I didn't realize my unexpected would be the forever kind."--Page 4 of cover.

Liam Page knows music and a life of solitude, but that all changed when he returned to Beaumont. The once notorious bad boy lead singer of 4225 West is now living the domesticated life with his wife and high school sweetheart, Josie, and their son, Noah. Life is good for the Westbury family. Josie Westbury loves everything about her life. She's happily married. She has a successful business and a son who keeps her active. The only thing she longs for is another child. Torn between his love for music and his love for his family, Liam finds he's needed back in Los Angeles and the place where it all began. Josie is apprehensive, but knows this is what's best for Liam and the band's career; however, it doesn't take long for her biggest fears to start coming true. Liam and Josie's story continues in this last installment of The Beaumont Series.

The road for Noah Westbury has been carved out for him, long before he knew who his father was. Making sure he worked hard to deserve the opportunities provided to him, Noah is where he's dreamed of being - starting QB for Portland Pioneers. Together, with his model girlfriend by his side, life can't get much better. Except that standing in his path is Peyton Powell-James, his life-long friend and the one woman he can never have. Peyton Powell-James always knew her future would be in football and dreams of having a successful sports journalism career once she graduates college. After being given the assignment to cover a professional game from the sidelines, Peyton believes that everything is going to plan. Until one fateful night changes her life. Harsh reality sets in for Noah and Peyton. One could lose everything, while the other struggles to keep the families together.

The members of Sinful Distraction are living their best life as they travel around the country on the heels of 4225 West's sold-out tour. Unfortunately for drummer, Ajay Ballard, that means a stop at the county jail after he's arrested for an outstanding warrant - one he didn't even know about. With an overzealous judge, Ajay's forced to hang out in his hometown longer than anticipated. While the town folk aren't exactly rolling out the red carpet for him, Quinn, Elle and the rest of Sinful Distraction are warmly welcomed into the fold. Some never get over their first love while some just can't erase the

memories. Jameson Foster falls somewhere in the middle. She's done her best to let the past stay in the past...until she's forced to save the one man who ruined her.

I expected a life of music. I expected to raise my son. It took one look to make everything change. I never expected happiness. I never expected to find her. I never expected to feel desire. I never expected I'd be a family man. I never expected to be loved. I never expected to fall in love. They say you should expect the unexpected, I didn't realize my unexpected would be the forever kind.

A man who has it all reunites with a woman who takes it all off in a Las Vegas romance from the bestselling author of *Forever My Girl*, now a major motion picture! They don't call it the Strip for nothing. . . . Living in Sin City, Finn McCormick is no stranger to one-night stands, but the last person he expects to find losing big on the casino floor is a former high school fling. Even though Macey Webster's clearly down on her luck, she's still a knockout, and she's dressed like a stripper—because she is one. Drunk off an unfamiliar cocktail of lust, pity, and compassion, Finn offers to pay Macey's debts if she cuddles up to him around town . . . and does whatever he wants between the sheets. Macey came to Vegas for one reason only: money. She's got a young daughter to support, and the tips really are bigger in Vegas. But when she blows her earnings on blackjack, her guardian angel is the rich boy who once stole her heart and never called her back. Although Macey would love to turn the tables on Finn, she can't afford to refuse his proposition—and soon she's enjoying herself much more than she cares to admit. Macey's used to baring her flesh, but baring her soul will take far more courage. Praise for *Stripped Bare* "Finn is the super sexy billionaire every reader will drool over! A far, far hotter version of *Pretty Woman* that will leave you holding your breath 'til the end!"—Christi Barth, author of the *Naked Men* series "An amusing retake of *Pretty Woman*, entertains with blistering physical desire and witty banter amid high-stakes personal conflicts. . . . The conflicted hero and unsinkable heroine make a great pair in this sexy contemporary with a heart of gold."—*Publishers Weekly* "Five amazing stars for Heidi McLaughlin."—*Books & Boys Book Blog* "Five stars . . . The story pulls at your heartstrings at times and you really cannot help but want Macey to get the HEA."—*Mrs. B's Books* "Get ready! It's a wonderful book that you're sure to love."—*FMR Book Grind* "Stripped Bare is the stuff adult fairy tales are made of."—*Book Angel Booktopia* "What a great five-star story this was. A sweet, sexy read that made me swoon, smile and managed to make me shed a few tears along the way."—*TDC Book Reviews* Includes an excerpt from another Loveswept title.

New York Times bestselling author of *Forever My Girl*. WIN THE GAME. LOSE YOUR HEART. Everyone knows who I am and that I could have any female fan I want. That's supposed to be the "perk" of playing left field for the Boston Renegades. But I don't want just any woman; I want her. She should be just another face in the crowd, but I can't stop thinking about the one night we spent together—and her look of regret the morning after. Because Saylor Blackwell is the kind of woman who haunts a man. Smart, sexy as hell, and one of the best managers in the business. She's every ballplayer's dream woman. And I'd do anything to make things right with her. I'm done sitting on the bench when it comes to Saylor Blackwell. Time to swing for the fences.
