Forty-first report of Session 2010-12 : Documents considered by the Committee on 14 September 2011, including the following recommendations for debate, Reform of the Common Fisheries Policy; Financial management: prevention of Fraud

In June 2003 the Strategic Rail Authority announced that it would be terminating the Connex South Eastern franchise for passenger rail services in Kent, parts of Sussex and South East London; the first, and so far only, instance where a train operating company's franchise has been terminated early. Following on from a National Audit Office report (HCP 457, session 2005-06; ISBN 0102936498) published in December 2005, the Committee's report examines why the franchise experienced difficulties; why the contract was terminated, and the impact on the interests of the taxpayer. The report sets out a number of conclusions and recommendations on the lessons to be learned in order to reduce the risk of future franchise failures.
