How can we understand gender in the contemporary world? What psychological differences now exist between women and men? How are masculinities and femininities made? And what is the relationship between gender issues and globalizing concerns such as environmental change and economic restructuring? Raewyn Connell, one of the world's leading scholars in the field, is here joined by Rebecca Pearse as they answer these questions and more. Their book provides a readable introduction to modern gender studies, covering empirical research from all parts of the world in addition to theory and politics. As well as introducing the field, *Gender* provides a powerful contemporary framework for gender analysis with a strong and distinctive global awareness. Highlighting the multi-dimensional character of gender relations, the authors show how to link

Questions, statistics, and activist insights

In Canada, women's bodies are often at the centre of debates about religious pluralism, multiculturalism, and secularism. Women have long played a critical role in building and maintaining diasporic religious communities and networks, and they have also been catalysts for change and transformation within religious groups and the wider community. *Relation and Resistance* explores the stories and lives of racialized women connected with religious diaspora communities in Canada. Contributors from across disciplines show how women are conceptualizing traditions in transformative ways, challenging prevailing assumptions about diasporic religion as nostalgically entrenched in the past. The collected essays include chapters on feminist and queer women thinking

Acritically about Hindu and Muslim identities and beliefs and challenging anti-Black racism and settler colonialism; Afro-Caribbean and Métis writers using literature to explore religion and belonging; the impact of women's participation in Japanese, Chinese, and Pakistani transnational religious organizations; and marriage, migration, and gender equality in the Punjabi Sikh and Malayali Christian communities. The volume closes with a chapter exploring Métis diasporic experience and inviting readers to think critically about diasporic religion on Indigenous land. An innovative and timely volume, *Relation and Resistance* reveals that a deeper understanding of women's experiences of displacement, migration, race, and gender is critical to the study of religion in Canada.

A Family Patterns, Gender Relations is a reader featuring a mix of classic and contemporary readings from Canada, the US, and the UK, designed to introduce second- and third-year sociology students to the key issues in family studies today.

We are almost programmed into thinking of our sexuality as a wholly natural feature of life. But sexual relations are but one form of social relations, as Jeffrey Weeks makes clear in his book. Drawing on the analyses of Michel Foucault, amongst others, the book examines the social, moral and political issues raised by contemporary forms of sexuality. Weeks provides an authoritative introduction to the sociology of sexuality, discussing its cultural and socio-historical construction, its relationship with power and the State's involvement in its rationalisation and regulation. This second edition is also
