The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)

Fletch, investigative reporter extraordinaire, can't be bothered with deadlines or expense-account budgets when it comes to getting his story. Working undercover at the beach to dig up a drug-trafficking scheme for his next blockbuster piece, Fletch is invited into a much deeper narrative. Alan Stanwyk, CEO of Collins Aviation and all-around family man, mistakes the reporter for a strung-out vagabond and asks him for a favor: kill him and escape to Brazil with \$50,000. Intrigued, Fletch can't help but dig into this suspicious deal he's being offered. Dodging the shady beach police as his case begins to break open, and with his temperamental editor Clara pushing for his article, he soon discovers that Stanwyk has a lot to hide and this plan is anything but what it seems.

From #1 New York Times bestselling author and ¶queen of royal fiction¶ (USA TODAY) comes a riveting and scandalous love triangle between a young woman on the brink of greatness, a young man whose ambition far exceeds his means, and the wife who cannot forgive them. In the autumn of 1558, church bells across England ring out the joyous news that Elizabeth I is the new queen, yet one woman hears the tidings with utter dread. She is Amy Dudley, wife of Sir Robert, and she knows that Elizabeth's ambitious leap to the throne will draw her husband back to the center of the glamorous Tudor court, where he was born to be. Elizabeth's excited triumph is short-lived. She has inherited a bankrupt country where treason is rampant and foreign war a certainty. Her faithful advisors warns her that she will survive only if she marries a strong prince to govern the rebellious country, but the one man Elizabeth desires is her childhood friend, the ambitious Robert Dudley. As the young couple falls back in love, a question hangs in the air: can he really set aside his wife and marry the queen? When Amy is found dead, Elizabeth and Dudley are suddenly plunged into a struggle for survival.

A tale of the Wars of the Roses follows Elizabeth Woodville, who ascends to royalty and fights for the well-being of her family, including two sons whose imprisonment in the Tower of London precedes a devastating unsolved mystery.

Named a Best Book of the Month by CNN and MSNBC Named a Most Exciting New Book of Fall by PopSugar #1 New York Times bestselling author Philippa Gregory's new historical novel tracks the rise of the Tidelands family in London, Venice, and New England. Midsummer Eve 1670. Two unexpected visitors arrive at a shabby warehouse on the south side of the River Thames. The first is a wealthy man hoping to find the lover he deserted twenty-one years before. James Avery has everything to offer, including the favour of the newly restored King Charles II, and he believes that the warehouse's poor owner Alinor has the one thing his money cannot buy:his son and heir. The second visitor is a beautiful widow from Venice in deepest mourning. She claims Alinor as her mother-in-law and has come to tell Alinor that her son Rob has drowned in the dark tides of the Venice lagoon. Alinor writes to her brother Ned, newly arrived in faraway New England and trying to make a life between the worlds of the English newcomers and the American Indians as they move toward inevitable war. Alinor tells him that she knows:without doubt:that her son is alive and the widow is an imposter. Set in the poverty and glamour of Restoration London, in the golden streets of Venice, and on the tensely contested frontier of early America, this is a novel of greed and desire: for love, for wealth, for a child, and for home

The Red Queen In a novel of conspiracy, passion, and coldhearted ambition, number one bestselling author Philippa Gregory has brought to life the story of a proud and determined woman who believes that she alone is destined, by her piety and lineage, to shape the course of history. In The Red Queen, Gregory illuminates the fascinating woman who founded England's most powerful ruling line, the Tudors: Margaret Beaufort. The White Queen Elizabeth Woodville, a woman of extraordinary beauty and ambition, secretly marries the newly crowned boy king of England. While she rises to the demands of her exalted position and fights for the success of her family, her two sons become the central figures in a famous unsolved mystery that has confounded historians for centuries: the lost princes in the Tower of London. Philippa Gregory brings the artistry and intellect of a master writer and storyteller to a new era in history and begins what is sure to be another bestselling classic series. The Lady of the Rivers The Lady of the Rivers is #1 New York Times bestselling author Philippa Gregory's remarkable story of Jacquetta, Duchess of Bedford, a woman who navigated a treacherous path through the battle lines in the Wars of the Roses.

A fictional portrait of Henry VIII's first wife, Katherine of Aragon, follows her through her youthful marriage to Henry's older brother, Arthur, her widowhood, her marriage to Henry, and the divorce that led to Henry's marriage to Anne Boleyn.

Explore the universe and immerse yourself in the story of our solar system, planet, and life through meteorites. "Meteorite is a treasure"--Wall Street Journal Meteorites have long been seen as portents of fate and messages from the gods, their fiery remains inspiring worship and giving rise to legends that have persisted for millennia. But beyond the lore, meteorites tell an even greater story: that of our solar system. In Meteorite, geologist Tim Gregory shows that beneath the charred crusts of these celestial stones lies a staggering diversity of rock types. Their unique constituents, vibrant colors, and pungent smells contain thrilling tales of interstellar clouds, condensing stardust, and the fiery collisions of entire worlds. Gregory explores the world of meteorites to uncover new insights into what our solar system was like before our sun became a star, into the forging of our planet, and into the emergence of life on it. Humans have long looked to the skies for answers to big questions. Meteorite reveals how science is finally arriving at those answers.

One of Esquire's Most Anticipated Cookbooks 2021 The beloved Top Chef star revolutionizes healthy eating in this groundbreaking cookbook!the ultimate guide to cooking globally inspired dishes free of gluten, dairy, soy, legumes, and grains that are so delicious you won't notice the difference. When award-winning, trendsetting chef Gregory Gourdet got sober, he took stock of his life and his pantry, concentrating his energy on getting himself healthy by cooking food that was both full of nutrients and full of flavor.
