When we've established what they're feeling there's the option to go to the page for an explanation of what it is and ideas of things to do. Initially, we would go to the pages after and read about the feeling. Now the kids can just talk it through. The genius of it is that it helps them separate feelings and process them separately.

Children have strong feeling and they can't always handle them very well. Perfect for sharing, How Are You Feeling Today? is packed with fun, imaginative ways to help children understand and cope with a whole range of different emotions. This delightful book gives parents the tools they need to help their child deal with those feelings - without it all ending in tears! A great dip-in book where children can choose a feeling that relates to them and then turn to the page that provides child-friendly strategies for dealing with that feeling. Helpful parent notes at the back of the book provide more ideas for parents to use with their child and other strategies to try out together and practice the all important skill of dealing with feelings.

We all experience emotions and emotions are absolutely fine as long as we know what to do with them. Feelings arrive effortlessly enough but deciding what to do with them when they turn isn't so easy - especially when you are a child. Cue: this book! It provides children with several straightforward, entertaining and appropriate interactive ideas to help them deal with a selection of significant emotions. A great dip-in book where children can choose a feeling that relates to them and then turn to the page that provides child-friendly strategies for dealing with that feeling. Helpful parent notes at the back of the book provide more ideas for parents to use with their child and other strategies to try out together and practice the all important skill of dealing with feelings.

Baby Bear lives in a home with the Big Bears, and loves to chase butterflies and make mud pies - they make Baby Bear's tummy fill with sunshine. Then, one night, Baby Bear hears a big storm downstairs in the house and in the morning, Baby Bear's tummy starts to feel grey and rainy. How will such a small bear cope with these big new feelings? This sensitive, charming storybook is written to help children who have lived with violence at home to begin to explore and name their feelings. Accompanied by notes for adults on how to use each page of the story to start conversations, it also features fun games and activities to help to understand and express difficult emotions. It will be a useful book for social workers, counsellors, domestic violence workers and all grown-ups working with children.

Have you ever noticed your own feeling within a day? How many feelings do you go through all day? Which emotion happens most frequently? If you spend sometimes to observe your own feeling every day, you might be able to control it to be more beneficial. In this journal, your can fill in each color to represent each feeling. Those color will be as an index which will be used in this whole journal. By the end of each month, you can summarize your feeling which happened most in each time period.

A story to help children aged 2 to 6 years who have lived with violence in their home.

Discusses various aspects of mental health, including self-perception, mental illness, emotional problems, and getting help.

Mr. Men meets The Color Monster--with a unicorn!--in the third book in this series that taps into the current trend of books about childhood emotions, this one about sadness. A little unicorn's rainbow-colored mane shifts to a single color when he's feeling a particularly strong emotion. It seems like a storm comes over him when he's sad, and his mane turns deep blue. But when he repeats a breathing exercise, the clouds clear and his rainbow returns--and if he ever feels sad again, he'll know just what to do. This distinctive series about coping with strong feelings integrates a breathing exercise into the story, making these books perfect for parents who are seeking practical tools for their children. With accessible, mainstream artwork and unicorn character appeal, each book focuses on just one emotion, allowing parents and children to dive deeper into individual moods. Little Unicorn is Shy will release at the same time.

What makes us a good friend? And what might make us a not-so-good friend? What can friends do together? And how do we make friends? Best-selling author Molly Potter presents practical advice on helping children understand how to be a true friend and what helps and what hinders friendships. Will You Be My Friend? is ideal for starting conversations about making friends and includes a guide for parents and carers about supporting a child if they are having friendship difficulties. With fun and lively illustrations from Sarah Jennings, this book is both humorous and charming, and prompts children to discuss the idea of friendship with parents and peers.

For fans of unicorns, Mr. Men, and Little Miss, this book in the Little Unicorn series about coping with strong feelings offers tools to manage anger and temper tantrums--and integrates a breathing exercise right into the story. Little Unicorn's rainbow-colored mane is magic--it shifts to a single color when he's feeling a particularly strong emotion. It seems like a storm comes over him when he's angry, and his mane turns bright red. But when he repeats a special three-step breathing exercise, the clouds clear and his rainbow returns--and if he ever feels angry again, he'll know just what to do. With simple, accessible artwork and the universal character appeal of unicorns, each Little Unicorn story allows children and caregivers to talk about and work through specific moods. Other Little Unicorn books you will enjoy:Little Unicorn is ScaredLittle Unicorn is Sad: Coming January 2019Little Unicorn is Shy: Coming January 2019
