"4.5 stars" Debut author Vicky Dreiling started off the new year with a bang for me with her first novel, How to Marry a Duke. In it, she created two likable and relatively complex characters with whom I enjoyed taking a journey to true love and happiness. Her historical spoof of the reality TV show, The Bachelor, was cute. It gave the story some lighthearted moments with a few of the courtship elements being laugh-out-loud funny.

For Olivia, determining whether arsenic poisoning killed Grey's father is the pioneering experiment that could make her career—and Thorn's constant presence is merely a distraction. But someone has explosive plans to derail her search. Soon the most unexpected discovery is the caring nature of the reputed scoundrel beside her—and the electricity it ignites between them . . .

From award-winning New York Times bestselling author Betina Krahn comes a beguiling new romance brimming with her signature wit, timeless sensuality, and thrilling romance—as desire proves to be a great equalizer . . . Daisy Bumgarten isn't thrilled to be trying to catch a duke's attention while dressed like a flower pot caught in a swarm of butterflies. But, after all, when in Rome (or in this case London society) . . . Since her decidedly disastrous debut among New York's privileged set, the sassy Nevada spitfire's last chance to "marry well" lies across the pond, here in England. If she must restrain her free spirit, not to mention her rib cage, so be it. She knows she owes it to her three younger sisters to succeed . . . Now, under a countess's tutelage, Daisy appears the perfect duchess-in-training . . . Until notorious ladies' man Lord Ashton Graham, a distraction of the most dangerous kind, glimpses her mischievous smile and feisty nature—and attempts to unmask her motives. Daisy has encountered snakes on the range, but one dressed to the nines in an English drawing room is positively unnerving—and maddeningly seductive. When a veiled plot emerges to show up Daisy as unworthy of the aristocracy, will Ashton be her worst detractor? Or the nobleman she needs most of all? My dear sister Clara, London society is so much more complicated than I could ever have known! Every night is a different ball or assembly, and a different swirl of glittering jewels and rustling gowns. Though I fear I am making social blunders left and right I am having some measure of success in my (or rather, Mother's) objective. Mother is beside herself with glee at the attentions I have been receiving from a few gentlemen she finds supremely suitable as husband material. But my dearest sister, it is so hard for me to even look at any gentleman but a certain duke, who, if I may confess, makes my heart beat so

that I fear it can be seen across a ballroom. He is James Langdon, the Duke of Wentworth, and though I may sound dramatic, he makes me feel as no man ever has before. But I must push these feelings away. I sometimes hear whispers about his dark past, and he is quietly called the Dangerous Duke. Oh Clara! I am secretly overjoyed that he may love me, and at the same time terrified of his attentions. I have waited so long for my true love, and now I must resist him to protect my heart. If only I knew how to proceed... Your devoted sister, Sophia
