In James 3:3-4, the tongue is spoken of using the figures of a bit in a horses mouth and the rudder on a ship. a. A bit determines the course of a horse, making him turn to the left or the right . . . letting him run fast or jolting him to a stop. b. A rudder guides the ship's course, turning it in any desired direction.

Sisterhood, motherhood, marriage, baking, and books!these are a few of the things that make this delightful novel a recipe for getting through the tough stuff of life!from the author of The Summer Sail and The Summer of Good Intentions. Ellen McClarety, a recent divorcée, has opened a new bake shop in her small Midwestern town, hoping to turn her life around by dedicating herself to the traditional Danish pastry called kringle. She is no longer saddled by her ne'er-do-well husband, but the past still haunts her:sometimes by showing up on her doorstep. Her younger sister, Lanie, is a successful divorce attorney with a baby at home. But Lanie is beginning to feel that her perfect life is not as perfect as it seems. Both women long for the guidance of their mother, who died years ago but left them with lasting memories of her love and a wonderful piece of advice: ||At the end of every day, you can always think of three good things that happened.|| Ellen and Lanie are as close as two sisters can be, until one begins keeping a secret that could forever change both their lives. Wearing her big Midwestern heart proudly on her sleeve, Wendy Francis skillfully illuminates the emotional lives of two women with humor and compassion, weaving a story destined to be shared with a friend, a mother, or a sister.

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food;and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
