Mike Hammer wakes up in a hotel room and the buddy he went on a blackout bender with last night has a fresh hole in his chest. The finger of suspicion is pointed his way. When it's ruled a suicide, he's cut loose, but his P.I. license is revoked. But Hammer smells murder, and nothing's going to keep him off the trail. on the hunt for justice—and vengeance.

A triple-shot anthology featuring the first three Mike Hammer novels—from the undisputed master of detective fiction. In Mickey Spillane's classic detective novels, the action exploded in a bone-crunching catharsis. Men and women didn't make love, they collided. Tough brutes used their fists to drive home a message. Tougher broads used guile. And no one's morals were loftier than the gutter. No apologies. Little redemption. They rendered critics powerless, shocked intellectuals, inspired a new wave of pulp mayhem, and left the public hungry for more. Given their hot, fever-pitch prose and breathless pacing, Spillane's Mike Hammer novels quickly became one of the most successful series in publishing history—an innovative, no-holds-barred, ultravisceral explosion of sex and violence that made Hammer a literary legend, and Spillane, one of the bestselling authors of all time. After fifty years, neither has lost their power to sucker punch the reader. Find out for yourself in this omnibus featuring the first three Mike Hammer novels by the living master of the hard-boiled mystery... Includes: I, the Jury My Gun is Quick Vengeance is Mine!

Mike Hammer gives a lift to a beauty on the run from a sanitarium—but their joyride is cut short by two dark sedans full of professional killers, who knock the detective out cold. When he wakes up, his car has been rolled off a cliff, with his mysterious passenger still inside it. The feds take his gun away on suspicion, but Hammer's not about to let that stop him. He's on the hunt for the men who wrecked his ride and killed a dame in cold blood—and he's going to teach them that armed or not, crossing Mike Hammer is the last thing you should ever do.

You think Mike Hammer is tough? Just wait until you see the punishment he delivers when he sets out to find the killer of a guy trying to go straight. A guy who parked his kid in Mike Hammer's arms—and left him there an orphan. Luscious, eager dames, dynamite-packed action that starts in cheap bars and goes right to the D.A.'s office, and a guided tour of the seamiest—as well as the swankiest—spots in New York, make this one of Mike Hammer's most thrilling adventures to date.

Mike Hammer is on the mend after taking two slugs in a shootout. He's called back into the city to sit by the deathbed of an old war buddy, laid low by a mysterious gunman. With his last breath, Hammer's friend whispers to him the secret that killed him—a secret that leads right to \$89 billion of stolen Mafia money. Still recovering from his brush with death, Hammer is faced with a choice—to keep clean, or to risk his life, and the life of the woman he loves, in pursuit of the biggest payday he's ever seen.

find a politician's killer and avoid the .45-caliber slug with his name on it. A pilot forced to make an emergency landing in the desert finds himself at the center of a struggle between FBI agents, unsavory fortune hunters, and members of the local Indian tribe to control a mysterious find that could mean wealth and power - or death. Two substantial new works filled with Spillane's muscular prose and the gorgeous women and two-fisted action the author was famous for, topped off by an introduction from Max Allan Collins describing the history of these lost manuscripts and his long relationship with the writer who was his mentor, his hero, and for much of the last century the bestselling author in the world.
