On top of that, there's been a massive decline in the volume of first-class mail like letters, cards and bills as Americans rely more and more on electronic payments and communication.

ICON is a four-level integrated skills series that takes students from a beginning to an intermediate level. ICON prepares students to express themselves naturally in English. ICON has been developed as a result of an in-depth research project into the role of the course book in effective teaching and learning. From this research, the series has distilled a set of core activities, which are varied and recurring to create effective teacher-learner interaction in the classroom. ICON has been designed to support students and teachers in both large and small classes.

ICON is a five-level integrated skills series that prepares students to express themselves naturally in English. The ICON series grew out of in-depth research into effective language teaching and learning techniques. From this research, the series has distilled a set of core activities that create successful learner interaction in the classroom. The series is designed to support students and teachers in both large and small classes. This is the high intermediate level student book.

ICON is a five-level integrated skills series that prepares students to express themselves naturally in English. The ICON series grew out of in-depth research into effective language teaching and learning techniques. From this research, the series has distilled a set of core activities that create successful learner interaction in the classroom. The series is designed to support students and teachers in both large and small classes. This workbook is designed to accompany the high intermediate level student book.

ICON is an innovative integrated skills series that takes learners from the beginner to the intermediate level. Based on extensive research into the most effective teaching and learning techniques, ICON is structured around carefully selected classroom activities. These core activities are designed to ensure highly focused classroom interaction and successful language learning. The series works well in both large and small classes.
