Read Book Illustration School Lets Draw Magical Color

Readers and artists alike will be enchanted by this how-to title on drawing magical pictures. With simple steps and clear illustrations, readers will get excited as simple shapes and lines transform into a complete, polished fantasy image. The fun design and down-to-earth instruction are sure to inspire, while fantastical magical illustrations will delight readers.

Alice has her own ideas about what color things should be. Pull the tabs and watch the colors magically appear before your eyes - cover.

A life lesson that all parents want their children to learn: It's OK to make a mistake. In fact, hooray for mistakes! A mistake is an adventure in creativity, a portal of discovery. A spill doesn't ruin a drawing—not when it becomes the shape of a goofy animal. And an accidental tear in your paper? Don't be upset about it when you can turn it into the roaring mouth of an alligator. An award winning, best-selling, one-of-a-kind interactive book, *Beautiful Oops!* shows young readers how every mistake is an opportunity to make something beautiful. A singular work of imagination, creativity, and paper engineering, *Beautiful Oops!* is filled with pop-ups, lift-the-flaps, tears, holes, overlays, bends, smudges, and even an accordion "telescope"—each demonstrating the magical transformation from blunder to wonder.

This book will teach you how to draw ships and boats in a fun and unique way step by step.

A sketchbook is an essential tool for the growth of any aspiring artist, but its blank pages can be daunting to even the most motivated. Obsessed with perfection, many wind up treating their sketchbooks more like portfolios than playgrounds. In *Drawing Is Magic*, author John Hendrix teaches aspiring and advanced artists to
