Ishmael: An Adventure of the Mind and Spirit (Audio ...

Daniel Quinn's philosophical novel Ishmael: An Adventure of the Mind and Spirit opens with the narrator reading the newspaper and finding himself both disgruntled and intrigued by a personal advertisement. The ad indicates that a teacher is looking for a student interested in saving the world. For most of the narrator's early life, he had searched for such a teacher, and he's angry that only now is one looking for him.

One thing was obvious: Ishmael had some friends I didn ' t know about—perhaps former pupils. The only way I could think of to reach them was the way he had probably reached them—through an ad in the personals: FRIENDS OF ISHMAEL: Another friend has lost contact. Please call and tell me where he is.

Ishmael: An Adventure of the Mind and Spirit (Daniel Quinn ...

Ishmael is a 1992 philosophical novel by Daniel Quinn. The novel examines the hidden cultural biases driving modern civilization and explores themes of ethics, sustainability, and global catastrophe. Largely framed as a Socratic conversation between two characters, Ishmael aims to expose that several widely accepted assumptions of modern society, such as human supremacy, are actually cultural myths that produce catastrophic consequences for humankind and the environment. The novel was awarded th

Ishmael: An Adventure of the Mind and Spirit by Daniel ...

Ishmael is a philosophical novel written by David Quinn and published in 1992. It follows the conversations between an unnamed protagonist (who responds to a classified advertisement seeking students) and Ishmael, a telepathic gorilla. Through a version of Socratic dialogue, Ishmael reveals to the narrator a worldview wherein the advent of agriculture thousands of years earlier began a division in human thinking between those who believe that humans belong to the world and those who believe ...

One of the most beloved and bestselling novels of spiritual adventure ever published, *Ishmael* has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. “A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny.” —The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind’s place in it. In *Ishmael*, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity’s origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn’s spiritual *Ishmael* trilogy: *ISHMAEL* • *MY ISHMAEL* • *THE STORY OF B* Praise for *Ishmael* “As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year.” —The Austin Chronicle “Before we’re halfway through this slim book . . . we’re in [Daniel Quinn’s] grip, we want *Ishmael* to teach us how to save the planet from ourselves. We want to change our lives.” —The Washington Post “Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur’s Prayer: ‘Lord, a little more time!’ *Ishmael* does its bit to answer that prayer and may just possibly have bought us all a little more time.” —Los Angeles Times

An award-winning, compelling novel of spiritual adventure about a gorilla named *Ishmael*, who possesses immense wisdom, and the man who becomes his pupil, offers answers to the world's most pressing moral dilemmas.

From the author of the critically acclaimed, award-winning bestseller *Ishmael* and its sequel, *My Ishmael*, comes a powerful novel with one of the most profound spiritual testaments of our time “A compelling ‘humantale’ that will unglue, stun, shock, and rearrange everything you’ve learned and assume about Western civilization and our future.” —Paul Hawken, author of *The Ecology of Commerce* Father Jared Osborne has received an extraordinary assignment from his superiors: Investigate an itinerant preacher stirring up deep trouble in central Europe. His followers call him B, but his enemies say he’s something else: the Antichrist. However, the man Osborne tracks across a landscape of bars, cabarets, and seedy meeting halls is no blasphemous monster—though an earlier era would undoubtedly have rushed him to the burning stake. For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes, opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion. Pressed by his superiors for a judgement, Osborne is driven to penetrate B’s inner circle, where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations. More than a masterful novel of adventure and suspense, *The Story of B* is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs. Explore Daniel Quinn’s spiritual *Ishmael* trilogy: *ISHMAEL* • *MY ISHMAEL* • *THE STORY OF B*

In *Beyond Civilization*, Daniel Quinn thinks the unthinkable. We all know there's no one right way to build a bicycle, no one right way to design an automobile, no one right way to make a pair of shoes, but we're convinced that there must be only one right way to live -- and the one we have is it, no matter what. *Beyond Civilization* makes practical sense of the vision of Daniel Quinn's best-selling novel *Ishmael*. Examining ancient civilizations such as the Maya and the Olmec, as well as modern-day microcosms of alternative living like circus societies, Quinn guides us on a quest for a new model for society, one that is forward-thinking and encourages diversity instead of suppressing it. *Beyond Civilization* is not about a "New World Order" but a "New Personal World Order" that would allow people to assert control over their own destiny and grant them the freedom to create their own way of life right now -- not in some distant utopian future.

The U.S.S. *Enterprise*[™] is on a peaceful mission at Starbase 12 when a bizarre cosmic phenomenon causes a Klingon ship to suddenly vanish—with Spock aboard for the ride. Spock's last message from the Klingon ship is cryptic and frightening. The Klingons are traveling into the past, searching for the one man who holds the key to the future. If they can kill that man, the course of history will be changed—and the Federation will be destroyed!

Ishmael, lone survivor of the doomed whaling ship *Pequod*, falls through a rift in time and space to a future Earth - an Earth of blood-sucking vegetation and a blood-red sun, of barren canyons where once the Pacific Ocean roared. Here too there are whales to hunt - but whales that soar through a dark blue sky.... Hugo Award-winner Philip José Farmer spins a fascinating tale of whaling ships and sailors of the sky in a bizarre future world where there are no seas to sail and no safe harbor to call home....

Providence is Quinn's fascinating memoir of his life-long spiritual voyage. His journey takes him from a childhood dream in Omaha setting him on a search for fulfillment, to his time as a postulant in the Trappist order under the guidance of eminent theologian Thomas Merton. Later, his quest took him through the deep self-discovery of psychoanalysis, through a failed marriage during the turbulent and exciting 60s, to finding fulfillment with his wife Rennie and a career as a writer. In *Providence* Quinn also details his rejection of organized religion and his personal rediscovery of what he says is humankind's first and only universal religion, the theology that forms the basis for *Ishmael*. *Providence* is an insightful book that address issues of education, psychology, religion, science, marriage, and self-understanding, and will give insight to anyone who has ever struggled to forge and enact a personal spirituality.
