WHAT YOU GIVE TAB by Tesla @ Ultimate-Guitar.Com
It's not whatcha got, it's a-what you give. It ain't the life you choose, it's the life you live. It's only what you give, only what you give, only what you give, It's not whatcha got, a-but the life you live. It's the life you live. [Spoken:] Play it pretty for the world. You're the one that makes me happy.

This is a guide to charitable giving. It explains how charities work, and gives advice about how best you can work with them to improve the world.

In a fresh and compelling way, Why Did You Give Up The Koochie And Now You Mad will educate men and women in understanding Gods idea about woman, wife, and marriage. God built woman as a spectacular and wondrous masterpiece. She is indeed astonishing, a fabulous gift to humanity. Nevertheless, many women do not understand Gods mind toward her. Many women are not acquainted with Gods idea about her care; treatment; due respect; or the measure of love God decreed she receive. Society has taught women many disciplines. Many of which she ought to have never accepted. Understanding Gods idea will empower women to see Gods mind regarding His idea of her, and for her. In Why Did You Give Up The Koochie And Now You Mad women will discover Gods reason for her creation; Gods idea of her care and treatment; and Gods intentions of mans expression of love that she deserves. Why Did You Give Up The Koochie And Now You Mad will teach both men and women about what the words man and husband actually means. They will also find the Scriptural definition of wife, also known as a good thing. Both will grasp Gods idea of the Scriptural meaning of submission. Men and women, husbands and wives will come to know, and understand what each is to yield to the other, and what neither should be willing to submit.

It's been eight years since Hope Warren had her heart broken on Christmas Eve, but she still detests the holiday, and celebrations in general. Wasting her time, and her art degree, at a job she clearly hates, the only thing she's longing for is a dream home way out of reach. So when outgoing Irishman Dylan Healy keeps getting in her face, she's sure there's a catch. He's kind, charismatic-and challenging her idle creativity. It may be her least favorite time of year, but suddenly she's willing to try everything and anything-especially Dylan himself. Dylan has enough on his plate between launching his online greeting card company at the height of the season and starting an art-themed daycare center. But he can't resist teasing Hope out of her holiday cynicism, turning her ideas into crazy profits-or wanting more of the vibrant, sensual woman she truly is. And with the days counting down to Christmas Eve, he's willing to put everything on the line to convince her that what they have is the gift of a lifetime...

John Steinbeck's Nobel Prize-winning tale of commitment, loneliness, hope, and loss-now a Deluxe eBook enhanced with exclusive content, including an interview with James Earl Jones, for the ultimate educational experience. An intimate portrait of two men who cherish the slim bond between them and the dream they share in a world marred by petty tyranny, misunderstanding, jealousy, and callousness. Clinging to each other in their loneliness and alienation, George and his simple-minded friend Lennie dream, as drifters will, of a place to call their own-a couple of acres and a few pigs, chickens, and rabbits back in Hill Country where land is cheap. But after they come to work on a ranch in the fertile Salinas Valley of California, their hopes, like "the best laid schemes o'mice an' men," begin to go awry. A rarity in American letters, Of Mice and Men achieved remarkable success as a novel, a Broadway play, and two acclaimed films. Now enhanced with additional content, Of Mice and Men Deluxe allows the reader to delve into one of Steinbeck's most beloved novels as never before. Of Mice and Men Deluxe includes the following: • An introduction and suggested further reading by Susan Shillinglaw, a professor of English at San José State University and Scholar-in-Residence at the National Steinbeck Center in Salinas • A video slideshow of historic 1930s Dust Bowl images that captures the period of several Steinbeck works by American documentary photographer Dorothea Lange • The poem "To a Mouse, On Turning Her Up in Her Nest with the Plough, November 1785" by Robert Burns (the original source of Steinbeck's title Of Mice and Men) • Stills from the 1992 film adaptation starring Gary Sinise and John Malkovich • The 1962 Nobel Banquet Speech by John Steinbeck • An exclusive Q&A with renowned composer and librettist Carlisle Floyd on Of Mice and Men as an American classic opera • An exclusive audio interview with award-winning actor James Earl Jones on his stage performances in Of Mice and Men • And much more

Vol. 49, no. 9 (Sept. 1922) accompanied by a separately paged section entitled ERA: electronic reactions of Abrams.

A Penguin Classics Deluxe Edition of Steinbeck's brilliant short novels Collected here for the first time in a deluxe paperback volume are six of John Steinbeck's most widely read and beloved novels. From the tale of commitment, loneliness and hope in Of Mice and Men, to the tough yet charming portrait of people on the margins of society in Cannery Row, to The Pearl's examination of the fallacy of the American dream, Steinbeck stories of realism, that were imbued with energy and resilience. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

When Nole Darlen kills his father-the man who has built the largest house anyone in these East Tennessee hills has ever seen-the single resounding gunshot sets up a dark patchwork of memory and expectation that gathers-up townspeople, hill-folks, lovers and outlaws. Here is a tangled tale involving the dead man's wife, neighbor Burlton Hobbes, desperado Jem Craishot, and a grizzled muskrat-trapper named Hogeys. Central to the story is a pistol that Nole Darlen has taken from a card game the night before the murder. The pistol becomes a totem to Nole, an embodiment of the frustrations and failures that have dogged his life. He envies and fears the outlaw, Jem Craishot, wishing he, too, could be "fearsome," but descends, instead, into cowardice and betrayal. Eventually, the gun becomes a central element of the novel's twisted story, a talisman of murder, and a key to the book's shocking ending. Richard Hood brings to bear his deep roots in rural East Tennessee. The plots and subplots of Regret the Dark Hour are based on true stories. The house still exists, the patricide really happened, the outlaw-Jem Craishot-is based upon the legendary Kinny Wagner, whose exploits derive from this time and region. The novel's social and cultural backgrounds are accurate, and call-up the rich heritage of East Tennessee. The novel has been called "Southern Gothic Noir," and Hood describes it as an "anti-mystery." There is never any doubt about who killed Carl Darlen, but the story turns and weaves through the day of the murder and ends with a startling, dark, surprise. Here is a story of family violence-its simmering causes and smoldering consequences-set against the clashing tensions of old-and-new, fiddle-tunes and factories, among the hills and coves of prohibition-era East Tennessee. Praise for REGRET THE DARK HOUR: "Richard Hood's Regret the Dark Hour is a search for Regional Truth and the ways memory, representation, and history intertwine to produce stories, interpretation, and character. This novel is a triumph-giving us the sound and flavor of prohibition-era East Tennessee, in a mix of voice, perception, and blindness embedded within the darkly tangled story of a family murder." -Shelby Stephenson, Poet Laureate of North Carolina and author of Paul's Hill: Homage to Whitman; Our World and Nin's Poem "Regret the Dark Hour calls up a story of betrayal, forbidden love, and familial violence in prohibition-era Appalachia. Hood's stunning and lyrical writing vividly captures the world of this forgotten time period. A beautiful debut and wonderful addition to southern noir." -Jen Conley, author of Seven Ways to Get Rid of Harry
